Re: Control #: 26001199, Meeting Date: 06/23/2026, Agenda Item No. #: 92
Subject: Approve Amendments for School of Origin and Foster Youth Transportation Services

Explanation:

Requesting changes to the Recommended Action and Background Information. Also, adding Attachment D Risk Assessment of Insurance Form

Revised Recommended Action(s):

1. Approve renewal and Amendment One to the Master Contract for Children's School of Origin and Foster Youth Transportation Services to increase funding by \$950,000, for the term of July 1, 2026, through June 30, 2028, for a new aggregate total not to exceed \$2,975,000, for the term of July 1, 2023, through June 30, 2028.
2. Authorize the County Procurement Officer or Deputized designee to execute Amendment One to the Contract with HopSkipDrive, Inc. for Children's School of Origin and Foster Youth Transportation Services to renew the Contract for the term of July 1, 2026, through June 30, 2028.
3. Authorize the County Procurement Officer or Deputized designee to accept Claims-Made Sexual Misconduct Liability Insurance in lieu of Per Occurrence Sexual Misconduct Liability Insurance for Contractors that are not able to obtain Per Occurrence Sexual Misconduct Liability Insurance.

Revised Background Information:

The Contractor's performance has been confirmed as satisfactory. SSA has verified there are no concerns that must be addressed with respect to Contractor's ownership/name, litigation status or conflicts with County interests. The Orange County Preference Policy is not applicable to this Amendment. The appropriate due diligence has been conducted and the non-profit has been verified to be in good standing. Prior to contract expiration, the department plans to issue a solicitation to continue services.

Non-Standard Insurance Provisions

The Agreements and Contract require Per Occurrence Sexual Misconduct Liability (SML) Insurance. Effective January 1, 2024, new state law eliminated the existing time limit for the statute of limitations on childhood sexual assault. Under the new law, a civil claim for a child sexual abuse event that occurs after January 1, 2024, can be brought at any time. Due to the significant potential liability the new law poses, many insurance providers are either unwilling to issue Per Occurrence SML or issue Per Occurrence policies at an affordable premium. Per Occurrence SML does not have a timeline limitation when a claim is filed and coverage applies, as long as the policy was active at the time of the incident. With Claims-Made SML, there is a specific, limited time period when a claim filed would be covered. If the Contractors are unable to find an insurance carrier to provide Per Occurrence SML due to the type of services provided, the Contractors will carry Claims-Made SML Insurance and will be required to maintain this insurance throughout the term of the Contract in lieu of Per Occurrence SML Insurance. Risk Management cannot approve Claims-Made SML, and the ability to carry Claims-Made SML in lieu of Per Occurrence SML is before the Board for approval due to the critical importance of the services. See Attachment D for the Risk Assessment Form.

Request and Justification (add another page if necessary):

Contractor has Claims Made insurance for Sexual Abuse Misconduct Liability.

To Be Completed by CEO/Risk Management Approved Denied Approved as Modified**Comments**

Claims Made Sexual Misconduct is not acceptable. Requirement is coverage on an occurrence basis. Claims Made coverage have a timeline when a claim can be filed. Once the timeline has expired, there is no coverage. Sexual molestation claims can be filed years later after expiration of a Claims Made policy. Without insurance coverage, the County is exposed to additional liability risk.
