Subject: Vote NO on Item 69, pretty please!

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

Hello Everyone,

Apologies for the mass email, but I'm writing to ask that you all vote **NO on Item 69** at today's Board meeting.

I'm very much concerned that this item could continue or expand herbicide-related work in Orange County waterways, including contracting with Dudek despite recent public concerns about creek management and spraying practices.

The habitants of Orange County deserve not only the most beautiful, but safe creeks and riverbeds.

Please vote NO on Item 69.

Best regards,

Veronica Castillo
