BACKGROUND INFORMATION:

I would like to allocate a grant of \$2,500 from Third District discretionary funds to the Tustin Area Historical Society to support the preservation and digitization of the organization's historical document collection.

The Tustin Area Historical Society maintains a valuable archive of documents that chronicle the history and development of the Tustin community. Many of these paper records have begun to deteriorate due to age.

This funding will support the scanning and digitization of these documents, ensuring they are preserved for future generations while improving accessibility for researchers, students, and the public. Investing in this project will help safeguard Tustin's rich history and preserve an important part of Orange County's heritage.
