**Please briefly explain why you wish to serve on this board, committee, or commission.**

I have been working in support of our OC Jewish community for the past few years, work that has sadly become more challenging post the October 7, 2023 Hamas attack and all that has ensued since. Sadly, our small community continues to experience a disproportionately high rate of hate crimes and incidents, leading to many challenges in our daily lives – whether in requiring additional security measures in our religious institutions, and continuous battles in our local schools and campuses. Addressing many of these concerns, while also respecting and supporting concerns of other minority groups in our community, requires a joint effort of education and collaboration with our county institutions, which I hope to accomplish through the important work of the OC Human Relations Commission.
