WHEREAS, Sheriff-Coroner conducted a comprehensive cost study in March of 2026 to reevaluate the Technology Division’s rate for 800 MHz and non-800 MHz equipment, and

WHEREAS, Sheriff-Coroner requests to update the Technology Service rates as follows:

NOW, THEREFORE, BE IT RESOLVED that this Board finds, in accordance with California Public Resources Code section 21080(b)(8) and Section 15273 of the California Environmental Quality Act Guidelines, that the rates listed herein below are only for purposes of meeting operating expenses, including wage rates and fringe benefits, purchasing or leasing supplies, equipment or materials, and are therefore exempt from compliance with the California Environmental Quality Act.

BE IT FURTHER RESOLVED that this Board finds that the rates meet the requirements set forth in subdivision (e)(2) of Section 1 of Article XIII C of the California Constitution and are therefore exempt from the definition of a tax.

BE IT FURTHER RESOLVED that this Board finds that the revenue resulting from the rates established pursuant to this Resolution will not exceed the Sheriff’s reasonable costs for processing the applications for the technology services.

BE IT FURTHER RESOLVED that the below technology service rate schedule shall be as follows:

Services	Rates	Examples of Billing
-----------------	--------------	----------------------------

Install Rate	\$186 per hour	<ul style="list-style-type: none"> • Installation • Equipment Removal • Decommissioning
