Subject: Oppose Proposed Lease Changes for Dad Miller Golf Course - OC Agenda Item S30A, 04-28-2026

Dear Chairman Chaffee,

I am writing to urge you to maintain the current lease agreement between Orange County and the City of Anaheim regarding Dad Miller Golf Course.

I implore you to **keep the current lease agreement** with the City of Anaheim. The proposed lease rate of \$215,000 is not just a line item—it is a direct threat to the affordable access hundreds of seniors rely on. This increase will make a hike in green fees inevitable, effectively pricing out the very residents who have supported and enjoyed this public course for decades.

For many of us, Dad Miller is not just a pastime; it is our primary source of physical activity and community connection. Losing affordable access to this facility would be devastating to the local senior population.

Furthermore, the City of Anaheim and American Golf Corporation have been exceptional stewards of this land, ensuring it remains a safe and functional 100-acre floodplain. We cannot risk destabilizing this proven partnership.

Please stand with Anaheim's seniors and protect our community's access to this vital asset.

Best Regards,

John Noteboom
