competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the parties specifically agree to waive any and all rights to request that an action be transferred for adjudication to another county.

- B. **Entire Contract:** This Contract contains the entire Contract between the parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any County employee or agent, including but not limited to installers of software, shall not be valid or binding on County unless accepted in writing by County's Purchasing Agent or designee.
- C. **Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the parties; no oral understanding or agreement not incorporated herein shall be binding on either of the parties; and no exceptions, alternatives, substitutes, or revisions are valid or binding on County unless authorized by County in writing.
- D. **Taxes:** Unless otherwise provided herein or by law, price quoted does not include California state sales or use tax. Out-of-state Contractors shall indicate California Board of Equalization permit number and sales permit number on invoices, if California sales tax is added and collectable. If no permit numbers are shown, sales tax will be deducted from payment. - E. **Delivery:** Time of delivery of goods or services is of the essence in this Contract. County reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed statement of work. Acceptance of any part of the order for goods shall not bind County to accept future shipments nor deprive it of the right to return goods already accepted at Contractor's expense. Over shipments and under shipments of goods shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all goods or services have actually been received and accepted in writing by County.
- F. **Acceptance Payment:** Unless otherwise agreed to in writing by County, 1) acceptance shall not be deemed complete unless in writing and until all the goods/services have actually been received, inspected, and tested to the satisfaction of County, and 2) payment shall be made in arrears after satisfactory acceptance.
- G. **Warranty:** Contractor expressly warrants that the goods covered by this Contract are 1) free of liens or encumbrances, 2) merchantable and good for the ordinary purposes for which they are used, and 3) fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Contractor's part to indemnify, defend and hold County and its indemnities as identified in paragraph "Z" below, and as more fully described in paragraph "Z," harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the goods/services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.
- H. **Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted

materials in the performance of this Contract. Contractor warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Contractor agrees that, in accordance with the more specific requirement contained in paragraph "Z" below, it shall indemnify, defend, and hold County and County Indemnites harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, costs and expenses but not including attorney's fees.

I. **Assignment:** The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned by Contractor without the express written consent of County. Any attempt by Contractor to assign the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.

Some Air Operations Area projects will require vehicles to be equipped with visible company placards on both sides of the vehicle, an orange/white checkered flag, an amber, rotating beacon, and a two-way radio to monitor FAA Air Traffic Control Tower frequencies; or be escorted by a vehicle with this equipment and markings. Only vehicles, equipment, and personnel who have prior authorization by the ASP may operate on runways, taxiways and movement areas, or cross runways and taxiways. Under no circumstance shall any vehicle operate on or cross a runway, taxiway, or any movement area unless permission from the Tower is granted. Vehicles requiring an escort must be escorted by Airport Operations, or authorized company vehicles, equipped with two-way radios, and in constant radio communication with the FAA Tower Control.

- C. Airport ID Badge Holder Requirements and Responsibilities:** TSA approved security program for JWA requires that each person issued a JWA security badge is made aware of his/her responsibilities regarding the privilege of access to restricted areas of JWA.

1. All persons within the restricted air operation areas of JWA are required to display, on their person, a JWA security badge; unless they are specifically exempted for safety reasons or they are under escort by a properly badged individual. Each JWA employee, JWA Contractor, subcontractor or tenant employee who has been issued a JWA security badge is responsible for challenging any individual who is not properly displaying a JWA issued or approved and valid identification badge. Any person who is not properly displaying or who cannot produce a valid JWA security badge must immediately be referred to the Sheriff's Department - Airport Police Services Office for proper handling.
2. JWA security badge is the property of County and must be returned upon termination of Contractor personnel employment and/or termination, expiration or completion of Contract. The loss of a badge shall be reported within 24 hours to the Sheriff's Department - Airport Police Services by calling (949) 252-5000. 3. JWA security badge is nontransferable.
 4. In the event that a contractor's badge is not returned to JWA upon termination of Contractor personnel employment and/or termination or expiration of Contract, a fine of \$250.00 per badge shall be charged to Contractor. Contractor's final payment may be held by County or a deduction from contractor's payment(s) may be made to ensure that funding is available to cover the fine in the event that badges are not returned.
 5. Contractor shall submit the names, addresses, and driver's license numbers for all Contractor personnel who shall be engaged in work under this Contract to County Project Manager within seven days after award of the Contract or within seven days after the start of any new Contractor personnel and/or prior to the start of any work.
 6. No worker shall be used in performance of this work that has not passed the background check.
 7. **Anti-Idling Policy:** Within six months of Contract execution, Contractor must develop, implement, and submit to the Airport Director for approval a fleet-wide anti-idling policy. At a minimum, the anti-idling policy shall include the requirement that vehicle engines shall be turned off when vehicles are not occupied, and that occupied vehicles be turned off after no more than a five-minute idling period. Contractor's policy shall also include all third-party vehicles that enter Airport property at the direction of Contractor.
 8. **Bills and Liens:** Contractor shall pay promptly all indebtedness for labor, materials and equipment used in performance of the work. Contractor shall not permit any lien or charge to attach to the work or the premises, but if any does so attach, Contractor shall promptly procure its release and, in accordance with the requirements of paragraph "Z" above, indemnify, defend, and hold County harmless and be responsible for payment of all costs, damages, penalties and expenses related to or arising from or related thereto.
 9. **Breach of Contract:** The failure of Contractor to comply with any of the provisions, covenants or conditions of this Contract shall be a material breach of this Contract. In such event County may, and in addition to any other remedies available at law, in equity, or otherwise specified in this Contract:
 - a) Terminate Contract immediately, pursuant to the General Terms and Conditions section, "Termination" Article herein;
 - b) Afford Contractor written notice of the breach and ten (10) calendar days or such shorter time that may be specified in this Contract within which to cure the breach;
 - c) Discontinue payment to the Contractor for and during the period in which Contractor is in breach; and
 - d) Offset against any monies billed by Contractor but yet unpaid by County those monies disallowed pursuant to the above.
 10. **Conflict of Interest – Contractor's Personnel:** Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with the best interests of County. This obligation shall apply to Contractor, Contractor's officers, directors, employees, agents, and subcontractors associated with accomplishing work and services hereunder. Contractor's efforts shall include, but not be limited to establishing precautions to prevent its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments, loans or other considerations

which could be deemed to influence or appear to influence County staff or elected officers from acting in the best interests of County.

Contractor shall notify County, in writing, of any potential or actual conflicts of interest between Contractor and County that may arise prior to, or during the period of, Contract performance, including, but not limited to, whether any known County public officer's child is an officer or director of, or has an ownership interest of ten (10) percent or more in, Contractor. While Contractor will be required to provide this information without prompting from County any time there is a change regarding conflict of interest, Contractor must also provide an update to County upon request by County.

11. **Conflict of Interest – County Personnel:** County of Orange Board of Supervisors policy prohibits its employees from engaging in activities involving a conflict of interest. Contractor shall not, during the period of this Contract, employ any County employee for any purpose.
12. **Department of the Treasury, Internal Revenue Service Form W-9 Requirement:** Effective June 3, 2006, all Contractors entering into a contract with the County, who are not already established in the County Financial System as an Auditor-Controller Vendor, will be required to submit to the County a federal Form W-9, or form W-8 for foreign vendors. The County will inform the Contractor, at the time of award, if the Form W-9, or W-8, will be required.
 - A. In order to comply with this County requirement, within ten days of notification of selection of award of Contract but prior to official award of Contract, the selected Contractor agrees to furnish to the contract administrator, the County DPA, the required W-9 or W-8. *Out of State Vendors may be required to submit a 587/590 Form.*
13. **Contractor's Project Manager and Key Personnel:** Contractor shall appoint a Project Manager to direct Contractor's efforts in fulfilling Contractor's obligations under this Contract. This Project Manager shall be subject to approval by County and shall not be changed without the written consent of County's Project Manager, which consent shall not be unreasonably withheld.

Contractor's Project Manager shall be assigned to this project for the duration of Contract and shall diligently pursue all work and services to meet the project time lines. County's Project Manager shall have the right to require the removal and replacement of Contractor's Project Manager from providing services to County under this Contract. County's Project manager shall notify Contractor in writing of such action. Contractor shall accomplish the removal within five (5) business days after written notice by County's Project Manager. County's Project Manager shall review and approve the appointment of the replacement for Contractor's Project Manager. County is not required to provide any additional information, reason or rationale in the event it requires the removal of Contractor's Project Manager from providing further services under Contract.
14. **Conditions Affecting Work:** The Contractor shall be responsible for taking all steps reasonably necessary to ascertain the nature and location of the work to be performed under this Contract and to know the general conditions which can affect the work or the cost thereof. Any failure by the Contractor to do so will not relieve Contractor from responsibility for any understanding or representations concerning the nature, location(s) or general conditions made by any of its officers or agents prior to the executions of this Contract, unless such understanding or representations by the County are expressly stated in the Contract.

15. **Cooperative Contract:** This Contract is a cooperative contract and may be utilized by all County of Orange departments.

The provisions and pricing of this Contract may be extended, at the option of Contractor, to any Municipal, County, Public Utility, Hospital, Educational Institution, or any other non-profit or governmental organization (the "Cooperative Program"). Parties in a Cooperative Program wishing to use this Contract will be responsible for issuing their own purchase documents / price agreements, providing for their own acceptance, and making any subsequent payments. Contractor shall be required to include in any agreement entered into with another agency or entity that is entered into pursuant to the provisions and pricing of this Contract a clause that binds the parties to the agreement to "indemnify, defend with counsel approved in writing by the County of Orange, California ("County"), and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided" under the agreement.. Failure to so include this clause voids the Contract's extension to a Cooperative Program and will be considered a material breach of this Contract and grounds for immediate Contract termination. The cooperative entities are responsible for obtaining all certificates of insurance and bonds required. The County of Orange makes no guarantee of usage by other users of this Contract.

As a cost-recovery mechanism for County, a 2 percent administrative rebate on total sales from all subordinate contracts will be paid to the County for any contracts the Contractor agrees to enter into with another agency or entity, other than the County of Orange or a department thereof, under the provisions and pricing of this Contract. The County has partnered with Pavilion, a third-party administrator, responsible for managing all reporting and payments under this Cooperative Program. The Contractor shall provide quarterly Volume Sales Reports about additional sales to other entities under the provisions and pricing of this Contract. The Reports shall include the ordering agency, detail of items sold including description, quantity, and price, and shall include all transactions pertaining to sales under the Contract provisions and pricing for that Reporting Period. Contractor shall provide the Volume Sales Reports regardless of whether or not any sales have been conducted. Failure of the Contractor to provide quarterly reports as required may be deemed by the County as a material breach of the Contract. A late penalty of 15 percent on the value of the rebate may be assessed to the Contractor for each month the payments are not received.

Subordinate contracts must be executed prior to the expiration or earlier termination of this Contract and may survive the expiration of this Contract. This Cooperative Contract provision shall survive expiration or termination of this Contract.

16. **Data – Title To:** All materials, documents, data or information obtained from County data files or any County medium furnished to Contractor in the performance of this Contract will at all times remain the property of County. Such data or information may not be used or copied for direct or indirect use by Contractor after completion or termination of this Contract without the express written consent of County. All materials, documents, data or information, including copies, must be returned to County at the end of this Contract.

17. **Default – Re-Procurement Costs:** In case of Contract breach by Contractor, resulting in termination by County, County may procure the commodities and services from other sources. If the cost for those commodities and services is higher than under the terms of the existing Contract, Contractor will be responsible for paying County the difference between Contract cost and the price paid, and County may deduct this cost from any unpaid balance due Contractor. The price paid by County shall be the prevailing market price at the time such purchase is made. This is in addition to any other remedies available under this Contract and under law.
18. **Disputes – Contract:** The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor's Project Manager and the County's Project Manager, as specified in Article titled "Notices" below, such matter shall be brought to the attention of the County DPA by way of the following process:
- A. The Contractor shall submit to the agency/department assigned Deputy Purchasing Agent a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Contract, unless County, on its own initiative, has already rendered such a final decision.
 - B. The Contractor's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to Contract, Contractor shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects Contract adjustment for which Contractor believes County is liable.

Pending the final resolution of any dispute arising under, related to, or involving this Contract, Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of commodities and/or provision of services. Contractor's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of County shall be expressly identified as such, shall be in writing, and shall be signed by County Deputy Purchasing Agent or his designee. If County fails to render a decision within 90 days after receipt of Contractor's demand, it shall be deemed a final decision adverse to Contractor's contentions. Nothing in this section shall be construed as affecting County's right to terminate Contract for cause or termination for convenience as stated in Article "Termination" herein.

19. **Drug-Free Workplace:** Contractor hereby certifies compliance with Government Code Section 8355 in matters relating to providing a drug-free workplace. Contractor will:
- A. Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited and specifying actions to be taken against employees for violations, as required by Government Code Section 8355(a)(1).
 - B. Establish a drug-free awareness program as required by Government Code Section 8355(a)(2) to inform employees about all of the following:
 - 1) The dangers of drug abuse in the workplace;
 - 2) The organization's policy of maintaining a drug-free workplace
 - 3) Any available counseling, rehabilitation and employee assistance programs; and
 - 4) Penalties that may be imposed upon employees for drug abuse violations.

C. Provide as required by Government Code Section 8355(a)(3) that every employee who works under this Contract:

- 1) Will receive a copy of the company's drug-free policy statement; and
- 2) Will agree to abide by the terms of the company's statement as a condition of employment under this Contract.

Failure to comply with these requirements may result in suspension of payments under Contract or termination of Contract or both, and Contractor may be ineligible for award of any future County contracts if County determines that any of the following has occurred:

- 1) Contractor has made false certification, or
- 2) Contractor violates the certification by failing to carry out the requirements as noted above.

20. **EDD Independent Contractor Reporting Requirements:** Effective January 1, 2001, County of Orange is required to file in accordance with subdivision (a) of Section 6041A of the Internal Revenue Code for services received from a "service provider" to whom County pays \$600 or more or with whom County enters into a contract for \$600 or more within a single calendar year. The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term "service provider" is defined in California Unemployment Insurance Code Section 1088.8, subparagraph B.2 as "an individual who is not an employee of the service recipient for California purposes and who received compensation or executes a contract for services performed for that service recipient within or without the state." 21. **Error and Omissions:** All reports, files and other documents prepared and submitted by Contractor shall be complete and shall be carefully checked by the professional(s) identified by Contractor as Project Manager and key personnel attached hereto, prior to submission to the County. Contractor agrees that County review is discretionary, and Contractor shall not assume that the County will discover errors and/or omissions. If the County discovers any errors or omissions prior to approving Contractor's reports, files and other written documents, the reports, files or documents will be returned to Contractor for correction. Should the County or others discover errors or omissions in the reports, files or other written documents submitted by the Contractor after County approval thereof, County approval of Contractor's reports, files or documents shall not be used as a defense by Contractor in any action between the County and Contractor, and the reports, files or documents will be returned to Contractor for correction.

22. **Equal Employment Opportunity:** Contractor shall comply with U.S. Executive Order 11246 entitled, "Equal Employment Opportunity" as amended by Executive Order 11375 and as supplemented in Department of Labor regulations (41 CFR, Part 60) and applicable state of California regulations as may now exist or be amended in the future. Contractor agrees to comply with the provisions of Sections 503 and 504 of the Rehabilitation Act of 1973, as amended, pertaining to prohibition of discrimination against qualified handicapped persons in all programs and/or activities as detailed in regulations signed by the Secretary of the Department of Health and Human Services effective June 3, 1977, and found in the Federal Register, Volume 42, No. 68 dated May 4, 1977, as may now exist or be amended in the future.

Regarding Americans with disabilities, Contractor agrees to comply with applicable provisions of Title 1 of the Americans with Disabilities Act enacted in 1990 as may now exist or be amended in the future.

23. **Gratuities:** The Contractor warrants that no gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the County shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the County in procuring on the open market any good or services which the Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the County provided in the clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.
24. **Headings:** The various headings and numbers herein, the grouping of provisions of this Contract into separate clauses and articles, and the organization hereof are for the purpose of convenience only and shall not limit or otherwise affect the meaning hereof.
25. **News/Information Release:** Contractor agrees that it will not issue any news releases in connection with either the award of this Contract or any subsequent amendment of or effort under this Contract without first obtaining review and written approval of said news releases from County through County's Project Manager.
26. **Order Dates:** Orders may be placed during the term of the Contract even if delivery or services may not be made until after the term of the Contract. The Contractor must clearly identify the order date on all invoices to County and the order date must precede the expiration of the Contract.

27. **Notices:** Any and all notices, requests demands and other communications contemplated, called for, permitted, or required to be given hereunder shall be in writing with a copy provided to the assigned DPA, except through the course of the Parties' Project Managers' routine exchange of information and cooperation during the terms of the work and services. Any written communications shall be deemed to have been duly given upon actual in-person delivery, if delivery is by direct hand, or upon delivery on the actual day of receipt or no greater than four (4) calendar days after being mailed by US certified or registered mail, return receipt requested, postage prepaid, whichever occurs first. The State or County shall provide reasonable notice of such audit.
31. **Subcontracting:** No performance of this Contract or any portion thereof may be subcontracted or otherwise delegated by the Contractor, in whole or in part, without first obtaining the prior express written consent of County. Any attempt by the Contractor to subcontract or delegate any performance of this Contract without the prior express written consent of the County shall be invalid and shall constitute a material breach of this Contract, and any attempted assignment or delegation in derogation of this paragraph shall be void.

In the event that the Contractor is authorized by the County to subcontract, this Contract shall take precedence over the terms of the agreement between Contractor and subcontractor and any agreement between Contractor and a subcontractor shall incorporate by reference the terms of this Contract. Contractor shall remain responsible for the performance of this Contract and for indemnification of County notwithstanding the County's consent to Contractor's request for approval of a subcontractor. Upon termination or other expiration of this Contract, each party shall promptly return to the other party all papers, materials, and other properties of the other held by each for purposes of performance of Contract.
33. **Usage:** No guarantee is given by County to Contractor regarding usage of this Contract. Usage figures, if provided, are approximations.
