To the Board of Directors,

I am writing to share a deeply personal update regarding my son and to express our sincere appreciation for the extraordinary support provided by Project Focus.

Navigating my son's mental health journey has been a long and challenging battle for our family. Throughout this process, the team at Project Focus has served as a critical source of stability, expertise, and care. Their dedicated providers have worked closely with us to implement effective safety plans and equip my son with practical tools for self-emotional regulating him the structure and skills needed to navigate difficult moments safely.

Thanks to the personalized intervention and guidance from Project Focus, my son has made meaningful progress toward emotional grounding, safety, and overall well-being. We are profoundly grateful for Project Focus and their commitment to supporting my son and our family on this continuing path to wellness.

Sincerely,

Lan Chi Nguyen
