SUMMARY OF REQUEST (Description for agenda)
The Clerk-Recorder requests Board approval to adjust a number of fees to insure only full cost recovery and therefore, fairness to the public.

ADDITIONAL DATA:
During the fiscal year 1998-99 Public Budget Hearings, your Board directed the CEO to evaluate fees charged by the County to insure fairness and cost recovery. As a result of this action, the Clerk-Recorder contracted with Government Finance Research, an independent audit firm, to conduct a cost recovery and fee study for the department. The study was completed in August, 1999 and is included herein along with the proposed fee adjustments. If all fee adjustments are approved, four (4) fees will be increased and four (4) reduced, resulting in a net reduction in revenues collected by the Clerk-Recorder of $431,758 on an annual basis. Although this will reduce the contribution the Clerk-Recorder's Department makes to the County General Fund, the public will directly benefit.
