ARTICLES

GENERAL TERMS AND CONDITIONS

1. Governing Law and Venue:

This Contract has been negotiated and executed in the state of California and shall be governed by and construed under the laws of the state of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the parties specifically agree to waive any and all rights to request that an action be transferred for adjudication to another county.

2. Entire Contract:

This Contract contains the entire Contract between the parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any County employee or agent, including but not limited to installers of software, shall not be valid or binding on County unless accepted in writing by County's Procurement Agent or designee.

3. Amendments:

No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the parties; no oral understanding or agreement not incorporated herein shall be binding on either of the parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing.

4. Taxes:

Unless otherwise provided herein or by law, price quoted does not include California state sales or use tax. Out-of-state Subrecipients shall indicate California Board of Equalization permit number and sales permit number on invoices, if California sales tax is added and collectable. If no permit numbers are shown, sales tax will be deducted from payment. The Auditor-Controller will then pay use tax directly to the State of California in lieu of payment of sales tax to Subrecipient.

5. Delivery:

Time of delivery of commodities and services is of the essence in this Contract. County reserves the right to refuse any commodities and services and to cancel all or any part of the commodities not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed scope of work. Acceptance of any part of the order for commodities shall not bind County to accept future shipments nor deprive it of the right to return commodities already accepted at Subrecipient's expense. Over shipments and under shipments of commodities shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all commodities or services have actually been received and accepted in writing by County.

6. Acceptance Payment:

Unless otherwise agreed to in writing by County, 1) acceptance shall not be deemed complete unless in writing and until all the commodities/services have actually been received, inspected, and tested to the satisfaction of County, and 2) payment shall be made in arrears after satisfactory acceptance.

7. Warranty:

Subrecipient expressly warrants that the commodities covered by this Contract are 1) free of liens or encumbrances, 2) merchantable and good for the ordinary purposes for which they are used, and 3) fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement

upon Subrecipient's part to indemnify, defend and hold County and its indemnitees as identified in the Insurance and Indemnification section, and as more fully described in the Insurance and Indemnification section harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the goods/services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.

8. Patent/Copyright Materials/Proprietary Infringement:

Unless otherwise expressly provided in this Contract, Subrecipient shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Subrecipient warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Subrecipient agrees that, in accordance with the more specific requirement contained in the Insurance and Indemnification section, it shall indemnify, defend and hold County and County Indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, costs and expenses but not including attorney's fees.

9. Assignment:

The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned by Subrecipient without the express written consent of County. Any attempt by Subrecipient to assign the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.

10. Non-Discrimination:

In the performance of this Contract, Subrecipient agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Subrecipient acknowledges that a violation of this provision shall subject Subrecipient to penalties pursuant to Section 1741 of the California Labor Code.

11. Termination:

In addition to any other remedies or rights it may have by law, County has the right to immediately terminate this Contract without penalty for cause or after 30 days' written notice without cause, unless otherwise specified. Cause shall be defined as any material breach of contract, any misrepresentation or fraud on the part of Subrecipient. Exercise by County of its right to terminate Contract shall relieve County of all further obligation.

12. Consent to Breach Not Waiver:

No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.

13. Independent Contractor:

Subrecipient shall be considered an independent Contractor and neither Subrecipient, its employees, nor anyone working under Subrecipient shall be considered an agent or an employee of County. Neither Subrecipient, its employees nor anyone working under Subrecipient shall qualify for workers' compensation or other fringe benefits of any kind through County.

14. Performance Warranty:

Subrecipient shall warrant all work under this Contract, taking necessary steps and precautions to perform the work to County's satisfaction. Subrecipient shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other commodities/services furnished by Subrecipient under this Contract. Subrecipient shall perform all work diligently, carefully, and in a good and workmanlike manner; shall furnish all necessary labor, supervision, machinery, equipment, materials, and supplies, shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work. If permitted to subcontract, Subrecipient shall be fully responsible for all work performed by subcontractors.

15. Changes:

Subrecipient shall make no changes in the work or perform any additional work without County's specific written approval.

16. Change of Ownership/Name, Litigation Status, Conflicts with County Interests:

Subrecipient agrees that if there is a change or transfer in ownership of Subrecipient's business prior to completion of this Contract, and the County agrees to an assignment of the Contract, the new owners shall be required under terms of sale or other transfer to assume Subrecipient's duties and obligations contained in this Contract and complete them to the satisfaction of the County.

Notwithstanding other notice or termination provisions contained herein, County reserves the right to immediately terminate this Contract, as of the date on which the County provides written determination of termination of this Contract under this provision anytime upon or after assignment, in the event that the County determines that the assignee is not qualified or is otherwise unacceptable to the County for the provision of services or commodities under this Contract. In the event of an immediate termination under this provision, the Subrecipient shall promptly refund the County an amount equal to the pro rata portion of any charges the County paid in advance for any remaining portion of the Contract after the date of termination. Likewise, the County shall not be liable for payment for any remaining services not yet

provided and accepted by the County under this Contract after the date of termination for any payments to be made in arrears pursuant to the terms of the Contract.

17. Force Majeure:

Subrecipient shall not be assessed with liquidated damages or unsatisfactory performance penalties during any delay beyond the time named for the performance of this Contract caused by any act of God, war, civil disorder, employment strike or other cause beyond its reasonable control, provided Subrecipient gives written notice of the cause of the delay to County within 36 hours of the start of the delay and Subrecipient avails himself of any available remedies.

18. Confidentiality:

Subrecipient agrees to maintain the confidentiality of all County and County-related records and information pursuant to all statutory laws relating to privacy and confidentiality that currently exist or exist at any time during the term of this Contract. All such records and information shall be considered confidential and kept confidential by Subrecipient and Subrecipient's staff, agents and employees.

19. Compliance with Laws:

Subrecipient represents, warrants, and covenants that services to be provided under this Contract shall fully comply, at Subrecipient's expense, with all standards, laws, statutes, restrictions, ordinances, requirements, regulations, program requirements, and grant terms including, but not limited to, Attachment F (the CDBG Grant Agreement) that is hereby incorporated herein by reference, and applicable executive orders (collectively "laws"), including, but not limited to those issued by County in its governmental capacity and all other laws applicable to the services at the time services are provided to and accepted by County. Subrecipient acknowledges that County is relying on Subrecipient to ensure such compliance, and pursuant to the requirements of the Insurance and Indemnification section, Subrecipient agrees that it shall defend, indemnify and hold County and County Indemnitees harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.

Subrecipient shall remain in compliance and in good standing, maintaining current and active business entity and/or nonprofit registration status, with all applicable federal, state and local registration requirements at the time of execution of the contract through the duration of the term of the Contract, and shall provide annual confirmation of current and active status to County through the term of the Contract.

20. Freight:

Prior to County's express acceptance of delivery of products. Subrecipient assumes full responsibility for all transportation, transportation scheduling, packing, handling, insurance, and other services associated with delivery of all products deemed necessary under Contract.

21. Severability:

If any term, covenant, condition or provision of this Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

22. Attorney Fees:

In any action or proceeding to enforce or interpret any provision of this Contract, each party shall bear their own attorney's fees, costs and expenses.

23. Interpretation:

This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party had been represented by experienced and knowledgeable independent legal counsel of their own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing them, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to effect the purpose of the parties and this Contract.

24. Employee Eligibility Verification:

Subrecipient warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. Subrecipient shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal or State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. Subrecipient shall retain all such documentation for all covered employees for the period prescribed by the law. Subrecipient shall indemnify, defend with counsel approved in writing by County, and hold harmless, County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against Subrecipient or County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

25. Audits/Inspections:

Subrecipient agrees to permit County's Auditor-Controller or the Auditor-Controller's authorized representative (including auditors from a private auditing firm hired by County) access during normal working hours to all books, accounts, records, reports, files, financial records, supporting documentation, including payroll and accounts payable/receivable records, and other papers or property of Subrecipient for the purpose of auditing or inspecting any aspect of performance under this Contract. The inspection and/or audit will be confined to those matters connected with the performance of Contract including, but not

limited to, the costs of administering Contract. County will provide reasonable notice of such an audit or inspection.

County reserves the right to audit and verify Subrecipient's records before final payment is made.

Subrecipient agrees to maintain such records for possible audit for a minimum of three years after final payment, unless a longer period of records retention is stipulated under this Contract or by law. Subrecipient agrees to allow interviews of any employees or others who might reasonably have information related to such records. Further, Subrecipient agrees to include a similar right to County to audit records and interview staff of any subcontractor related to performance of this Contract.

Should Subrecipient cease to exist as a legal entity, Subrecipient's records pertaining to this Contract shall be forwarded to County's project manager.

26. Contingency of Funds:

Subrecipient acknowledges that funding or portions of funding for this Contract may be contingent upon state budget approval; receipt of funds from, and/or obligation of funds by, the state of California to County; and inclusion of sufficient funding for the services hereunder in the budget approved by County's Board of Supervisors for each fiscal year covered by this Contract. If such approval, funding or appropriations are not forthcoming, or are otherwise limited, County may immediately terminate or modify this Contract without penalty.

27. Expenditure Limit:

Subrecipient shall notify County of Orange assigned Deputy Procurement Agent in writing when the expenditures against Contract reach 75 percent of the dollar limit on Contract. County will not be responsible for any expenditure overruns and will not pay for work exceeding the dollar limit on Contract unless a change order to cover those costs has been issued.

28. California Public Records Act:

Subrecipient and County agree and acknowledge that all information and documents related to the award and performance of this Contract may be subject to disclosure pursuant to the California Public Records Act, California Government Code Section 7920.000 et seq. Subrecipient shall not respond to any California Public Records Act request directed at County; all responses shall be handled by County.

INDEMNIFICATION AND INSURANCE PROVISIONS

29. Indemnification

Subrecipient agrees to indemnify, defend with counsel approved in writing by County, and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided by Subrecipient pursuant to this Contract. If judgment is entered against Subrecipient and County by a court

of competent jurisdiction because of the concurrent active negligence of County or County Indemnitees, Subrecipient and County agree that liability will be apportioned as determined by the court. Neither Party shall request a jury apportionment. Notwithstanding anything stated above, nothing contained herein shall relieve Subrecipient of any insurance requirements of obligations created elsewhere in this Contract.

30. General Insurance Requirements

Prior to the provision of services under this Contract, the Subrecipient agrees to carry all required insurance at Subrecipient's expense, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with. Subrecipient agrees to keep such insurance coverage current, provide Certificates of Insurance, and endorsements to the County during the entire term of this Contract.

Subrecipient shall ensure that all subcontractors performing work on behalf of Subrecipient pursuant to this Contract shall be covered under Subrecipient's insurance as an Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for Subrecipient. Subrecipient shall not allow subcontractors to work if subcontractors have less than the level of coverage required by County from Subrecipient under this Contract. It is the obligation of Subrecipient to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by Subrecipient through the entirety of this Contract for inspection by County representative(s) at any reasonable time.

All self-insured retentions (SIR)'s shall be clearly stated on the Certificate of Insurance. Any SIR in excess of Fifty Thousand Dollars \$50,000 shall specifically be approved by the County's Risk Manager, or designee. The County reserves the right to require current audited financial reports from Subrecipient. If Subrecipient is self-insured, Subrecipient will indemnify the County for any and all claims resulting or arising from Subrecipient's services in accordance with the indemnity provision stated in this contract.

If the Subrecipient fails to maintain insurance acceptable to the County for the full term of this Contract, the County may terminate this Contract.

The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. Best's Rating) and VIII (Financial Size Category as determined by the most current edition of the **Best's Key Rating Guide/Property-Casualty/United States or ambest.com**). Failure to provide written notice of cancellation may constitute a material breach of the Contract, upon which the County may suspend or terminate this Contract.

Insurance certificates should be forwarded to the agency/department address listed on the solicitation.

If the Subrecipient fails to provide the insurance certificates and endorsements within ten (10) days of notification by CEO/Procurement or the agency/department procurement division, award may be made to the next qualified vendor.

County expressly retains the right to require Subrecipient to increase or decrease insurance of any of the above insurance types throughout the term of this Contract. Any increase or decrease in insurance will be as deemed by County of Orange Risk Manager as appropriate to adequately protect County.

County shall notify Subrecipient in writing of changes in the insurance requirements. If Subrecipient does not provide acceptable Certificates of Insurance and endorsements to County incorporating such changes within thirty (30) days of receipt of such notice, this Contract may be in breach without further notice to Subrecipient, and County shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Subrecipient's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

Subrecipient shall be responsible for taking all steps reasonably necessary to ascertain the nature and location of the work to be performed under this Contract and to know the general conditions which can affect the work or the cost thereof. Any failure by Subrecipient to do so will not relieve Subrecipient from responsibility for successfully performing the work without additional cost to County. County assumes no responsibility for any understanding or representations concerning the nature, location(s) or general conditions made by any of its officers or agents prior to the execution of this Contract, unless such understanding or representations by County are expressly stated in Contract.

- A. The Subrecipient shall submit to the agency/department assigned Deputy Procurement Agent a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Contract, unless County, on its own initiative, has already rendered such a final decision.
- B. The Subrecipient's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to Contract, Subrecipient shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects Contract adjustment for which Subrecipient believes County is liable.

Pending the final resolution of any dispute arising under, related to, or involving this Contract, Subrecipient agrees to diligently proceed with the performance of this Contract, including the delivery of commodities

and/or provision of services. Subrecipient's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of County shall be expressly identified as such, shall be in writing, and shall be signed by County Deputy Procurement Agent or his designee. If County fails to render a decision within 90 days after receipt of Subrecipient's demand, it shall be deemed a final decision adverse to Subrecipient's contentions. \$600 or more or with whom County enters into a contract for \$600 or more within a single calendar year. The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term “service provider” is defined in California Unemployment Insurance Code Section 1088.8, subparagraph B.2 as “an individual who is not an employee of the service recipient for California purposes and who received compensation or executes a contract for services performed for that service recipient within or without the state.” The term is further defined by the California Employment Development Department to refer specifically to independent Subrecipients. An independent Subrecipient is defined as “an individual who is not an employee of the ... government entity for California purposes and who receives compensation or executes a contract for services performed for that ... government entity either in or outside of California.”

The reporting requirement does not apply to corporations, general partnerships, limited liability partnerships, and limited liability companies.

Additional information on this reporting requirement can be found at the California Employment Development Department website located at http://www.edd.ca.gov/Employer_Services.htm

The failure of Subrecipient to timely submit the requested data shall constitute a material breach and grounds for termination of this Contract.

In the event of an emergency or if Orange County is declared a disaster area by County, state or federal government, Contract may be subjected to unusual usage. Subrecipient shall service County during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing quoted by Subrecipient shall apply to serving County’s needs regardless of the circumstances. If Subrecipient is unable to supply the goods/services under the terms of Contract, then Subrecipient shall provide proof of such disruption and a copy of the invoice for the goods/services from Subrecipient’s supplier(s). Additional profit margin as a result of supplying goods/services during an emergency or a declared disaster shall not be permitted. In the event of an emergency or declared disaster, emergency purchase order numbers will be assigned. All applicable invoices from Subrecipient shall show both the emergency purchase order number and Contract number.

61. Error and Omissions:

All reports, files and other documents prepared and submitted by Subrecipient shall be complete and shall be carefully checked by the professional(s) identified by Subrecipient as Project Manager and key personnel attached hereto, prior to submission to the County. Subrecipient agrees that County review is discretionary, and Subrecipient shall not assume that the County will discover errors and/or omissions. If the County discovers any errors or omissions prior to approving Subrecipient’s reports, files and other written documents, the reports, files or documents will be returned to Subrecipient for correction. Should the County or others discover errors or omissions in the reports, files or other written documents submitted by the Subrecipient after County approval thereof, County approval of Subrecipient’s reports, files or documents shall not be used as a defense by Subrecipient in any action between the County and Subrecipient, and the reports, files or documents will be returned to Subrecipient for correction.

62. Equal Employment Opportunity:

Subrecipient shall comply with applicable state and federal regulations as may now exist or be amended in the future. ADDENDUM 3. INDIRECT COST RATE SCHEDULE

As the duly authorized representative of the Recipient, I certify that the Recipient:

- Will not use an indirect cost rate to calculate and charge indirect costs under the grant.
- Will calculate and charge indirect costs under the grant by applying a *de minimis* rate as provided by 2 C.F.R. § 200.414(f), as may be amended from time to time.
- Will calculate and charge indirect costs under the grant using the indirect cost rate(s) listed below, and each rate listed is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 C.F.R. part 200 and, *if required*, was approved by the cognizant agency for indirect costs.

Agency/department/major function	Indirect cost rate	Type of Direct Cost Base
	%	
	%	
	%	

Instructions for the Recipient:

The Recipient must mark the one (and only one) checkbox above that best reflects how the Recipient’s indirect costs will be calculated and charged under the grant. Do not include indirect cost rate information for subrecipients.

The table following the third box must be completed only if that box is checked. When listing a rate in the table, enter both the percentage amount (e.g., 10%) and the type of direct cost base to be used. For example, if the direct cost base used for calculating indirect costs is Modified Total Direct Costs, then enter “MTDC” in the “Type of Direct Cost Base” column.

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Recipient is a government and more than one agency or department will carry out activities under the grant, enter each agency or department that will carry out activities under the grant, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 C.F.R. part 200, subpart E and Appendix VII to Part 200 (for state and local governments).
