RECOMMENDED ACTION(S):

Authorize the Sequence Number against quote number 0229611368 with Insight Public Sector, Inc., for the purchase of Security Cloud Platform, related equipment and support.

SUMMARY:

Approval of the purchase of Security Cloud Platform, related equipment and support with Insight Public Sector, Inc., will allow Sheriff-Coroner's Technology Division to consolidate its three separate data protection solutions into one.

BACKGROUND INFORMATION:

The Sheriff-Coroner Department's (Sheriff) is requesting budget approval to purchase equipment under Regional Cooperative Agreement (RCA) RCA-017-24010043. Sheriff currently protects its data across three separate solutions. Consolidating onto a single Security Cloud platform will provide immutable backups, automated identity recovery, sensitive-data discovery, and unified visibility across workloads, while measurably strengthening the Sheriff's cyber resilience and Criminal Justice Information Systems

compliance posture. Transitioning to a new security cloud platform is a strategic investment that provides significant performance, resiliency, and operational advantages.

Sheriff now requests the Board of Supervisors approve the equipment to be budgeted. Sheriff has verified there are no concerns that must be addressed with respect to Contractor's ownership/name, litigation status or conflicts with County interests. The Orange County Preference Policy is not applicable to this quote.

FINANCIAL IMPACT:

Appropriations for this contract will be absorbed in the Sheriff-Coroner's Budget control 060 for FY 2026-27.
