The TENANT and the COUNTY hereby agree that such late charges represent a fair and reasonable estimate of the costs that the COUNTY will incur by reason of the TENANT's late payment. Acceptance of such late charges (and/or any portion of the overdue payment) by the COUNTY shall in no event constitute a waiver of the TENANT's default with respect to such overdue payment or prevent the COUNTY from exercising any of the other rights and remedies granted hereunder.

SECTION 4.04 PROVISION AGAINST SET-OFFS

It is the obligation of the TENANT to pay all rent, fees, and charges, free of any set-offs or claims, in the amount and at the times specified in this LEASE. Regardless of the form in which the TENANT elects to make said security deposit, all or any portion of the principal sum shall be available unconditionally to the COUNTY for correcting any default or breach of this LEASE by the TENANT, its successors or assigns, or for payment of expenses incurred by the COUNTY as a result of the failure of the TENANT, its successors or assigns, to faithfully perform all terms, covenants, and conditions of this LEASE.

Should the TENANT elect to provide either a Letter of Credit or a Faithful Performance Bond to fulfill the security deposit requirements of this LEASE, said instrument or bond shall have the effect of releasing depository or creditor therein from liability on account of the payment of any or all of the principal sum to the COUNTY, or order upon demand by the Airport Director.

In the event the Airport Director withdraws all or any portion of the security deposit as provided herein, the TENANT shall, within ten (10) days of any withdrawal by the Airport Director, replenish the security deposit to maintain it at amounts herein required throughout the term of this LEASE. Failure to do so shall be deemed a default and shall be grounds for immediate termination of this LEASE as per Article IX of this LEASE.

The TENANT shall be obligated to maintain the security deposit in effect until the expiration date or earlier termination of this LEASE.

- D. The TENANT's causing or allowing any prohibited discharge into the Airport Drainage System.

This indemnification includes without limitation, reasonable fees/costs/expenses for attorneys, experts, expert consultants, and all other costs incurred by COUNTY in connection with any investigation, evaluation, assessment, and/or monitoring of the environmental conditions at the Leased Premises or any cleanup, remedial, removal, and/or restoration work required by any federal, state or local governmental entity because of any Hazardous Materials being present in the soil, surface water at, on, under, or about the Airport. contractors who are directly responsible to COUNTY. In the event the indemnitees as described herein are parties in any proceeding (legal, administrative, or otherwise), the TENANT shall, at the request of the COUNTY, defend the indemnitees with qualified counsel that the COUNTY determines, in its sole and absolute discretion, is acceptable to the COUNTY, unless the COUNTY, in its sole and absolute discretion, undertakes legal representation, in which event the TENANT shall reimburse the COUNTY for the expenses incurred by it in defending such proceeding, including reasonable attorneys' fees, expert and consultant's fees, and investigative and court costs. In the event that any monetary sum is awarded against the COUNTY and the TENANT because of the concurrent negligence of the COUNTY and the TENANT or their respective officers, directors, successors, assigns, subcontractors, sublessees, or employees, an apportionment of liability to pay such award shall be made by a court of competent jurisdiction. Both the COUNTY and the TENANT agree that neither party shall request a jury apportionment. Nothing stated in this LEASE and in this indemnity obligation shall be construed as authorizing any award of attorney's fees in any action to enforce the terms of this LEASE. The rights and obligations set forth in this indemnification shall survive the termination and/or expiration of this LEASE.

SECTION 6.05 CONFLICT WITH ENVIRONMENTAL LAW PROVISIONS

In the event that any of the terms of the environmental requirements codified in this Article conflict with any other terms of this LEASE, the environmental requirements contained in this Article shall apply.

SECTION 6.06 ANTI-IDLING POLICY

Within six months of LEASE execution, TENANT must develop, implement, and submit to the Airport Director or designee for approval a fleet-wide anti-idling policy. At a minimum, the anti-idling policy shall include the requirement that vehicle engines shall be turned off when vehicles are not occupied, and that occupied vehicles be turned off after no more than a five-minute idling period. ARTICLE VII - CONSTRUCTION AND IMPROVEMENTS**SECTION 7.01 CAPITAL INVESTMENT FOR REFURBISHMENT**

As valuable consideration for COUNTY entering into this LEASE, but not as a payment of rent or a form of consideration for the right to occupy space at the Airport, TENANT is required to perform a Refurbishment of the Leased Premises within 14 months of the date TENANT receives a notice to proceed issued by the Airport. In the event TENANT fails to complete the Refurbishment within the 14 months, TENANT and COUNTY agree that COUNTY's actual damages would be extremely difficult or impossible to determine; therefore, TENANT agrees that the best estimate of the COUNTY's actual damages that may be assessed to the TENANT equal

JOHN WAYNE AIRPORT AIRLINE CLUB ROOM LEASE

one hundred fifty dollars (\$150.00) per day and shall continue until the Refurbishment has been completed to the satisfaction of COUNTY. This amount shall be in addition to all other sums due under this LEASE. TENANT's minimum capital investment for Refurbishment of the Leased Premises shall not be less than eight hundred thousand dollars (\$800,000.00) ("Minimum Capital Investment"). If the Certified Capital Investment Costs, as defined in Section 7.10, for the Refurbishment are less than the Minimum Capital Investment, TENANT agrees to pay to COUNTY, within thirty (30) days of such determination, the difference between the actual Certified Capital Investment Costs and the Minimum Capital Investment. However, if the Certified Capital Investment Costs are less than the Minimum Capital Investment and TENANT delivers to COUNTY the Refurbishment construction, furnishings, and equipment for the Leased Premises, as reflected in the Approved Project, COUNTY agrees to waive its right to the difference between the Certified Capital Investment Costs and Minimum Capital Investment. Any amounts paid to COUNTY because of this provision shall not be deemed a capital investment for any other purpose under this LEASE, nor shall it be deemed payment of any rent or other fees due under this LEASE.

TENANT shall provide to County a 90% substantially complete full set of building plans within ninety (90) days of the execution of the LEASE. In the event TENANT fails to provide the 90% substantially complete building plans within ninety (90) days, TENANT and COUNTY agree that COUNTY's actual damages would be extremely difficult or impossible to determine; therefore, TENANT agrees that the best estimate of the COUNTY's actual damages that may be assessed to the TENANT equal one hundred fifty dollars (\$150.00) per day and shall continue until the building plans have been submitted.

SECTION 7.02 CONSTRUCTION AND/OR ALTERATION BY THE COUNTY

The COUNTY may alter, repair, maintain, remodel, expand, remove, or improve any of the facilities at the Airport or any of its appurtenances.

In addition, the COUNTY may reassign or relocate the TENANT's Leased Premises. The COUNTY shall provide the TENANT advance notice of such action and shall make every reasonable effort to provide the TENANT alternative space that is reasonably comparable for the TENANT's operations at the same rates and charges that the TENANT would have paid for the space being surrendered. In the event no alternative space is available, the TENANT shall surrender its space promptly to the COUNTY, provided that the TENANT shall be reimbursed for the reasonable cost of any such reassignment, reallocation, or relocation and the cost of the TENANT's unamortized investment, if any, as documented by the TENANT to the satisfaction of the COUNTY and mutually agreed to by the Airport Director and the TENANT. All of such costs, as well as the COUNTY's cost of providing the aforementioned alternative space, shall be included in the cost of the particular project requiring such reassignment, reallocation, or relocation.

SECTION 7.03 IMPROVEMENTS BY THE TENANT

The TENANT shall not perform any construction, including the Refurbishment, upon the Leased

Any COUNTY-approved construction, modifications, alterations, or removal of any permanent improvements by the TENANT shall be at the TENANT's expense.

- A. **Consent Required From the COUNTY.** TENANT shall not make any improvements or modifications, do any construction work on the Leased Premises, or alter, modify, or make additions, improvements, replacements, or repairs, except emergency repairs, to any structure now existing or built without prior written approval of COUNTY. TENANT shall not install any fixtures, other than trade fixtures, without the prior written approval of COUNTY. In the event that any construction, improvement, alteration, modification, addition, repair, excluding emergency repairs, or replacement is made without COUNTY approval, or done in a manner other than as approved, COUNTY may, at its discretion, (i) terminate this Lease in accordance with the provisions herein; or (ii) require TENANT to remove the same; or (iii) require TENANT to change the same to the satisfaction of COUNTY. In case of any failure on the part of TENANT to comply, COUNTY may, in addition to any other remedies available to it at law or in equity, effect the removal or change referenced above in this Section, and TENANT shall pay the cost thereof to COUNTY plus fifteen percent (15%) of the costs for administration.
- B. **Compliance with Plans and Construction Standards.** All improvements constructed by TENANT within the Leased Premises shall be constructed in strict compliance with detailed plans and specifications approved by COUNTY. TENANT is responsible to review and comply with the Tenant Design Guidelines and John Wayne Airport Construction Standards. All construction shall conform to applicable building codes, rules, regulations, and Airport's architectural standards as contained in reference document "Architect-Engineer Guide OC Public Works" and reference document "John Wayne Airport Construction Standards," which can be provided by Airport upon request. All work shall be done in conformity with Airport-approved plans, valid building and other necessary permits and shall be acceptable to COUNTY and the appropriate governmental entity inspecting such work. TENANT shall have the responsibility to obtain all required permits and to investigate and pay for any and all fees, including but not limited to Transportation Corridor Agency fees, if applicable, necessary for such construction. Airport Director's or designee's approval shall not constitute a representation or warranty as to such conformity, which shall remain TENANT's responsibility. TENANT shall be responsible for filing Form 7460 for any construction and/or height of construction equipment with the FAA if required.
- C. **Noninterference.** TENANT warrants that neither it nor its contractor shall in any way delay, cause delays to, or interfere with any Airport operations or other contractors working in the terminal or on the Airport, except with the prior written approval of the Airport director, as set out herein. The TENANT agrees to hold the COUNTY harmless from the

cost of any time lost by the COUNTY or any damages to the COUNTY due to the actions or failure to act of the TENANT or its contractor.

- D. **Trailers and Modular Structures.** All improvements constructed by the TENANT shall be of a permanent nature. Trailers and modular buildings are prohibited on the Leased Premises. This provision shall not apply to the use of the COUNTY-approved temporary modulars or trailers during construction. Upon completion of construction, all trailers or modulars must be immediately removed from the Leased Premises.

- E. **The TENANT's Cost and Expense.** All Refurbishment, renovation or construction by the TENANT pursuant to this Article shall be at the TENANT's sole cost and expense. The TENANT shall keep its existing or future Leased Premises and the improvements constructed thereon free and clear of all liens and shall pay all costs for labor and material arising out of such construction and shall hold the COUNTY harmless from any liability in respect thereto. The TENANT shall have the right to contest any and all liens filed against its existing or future Leased Premises. The TENANT further agrees that the COUNTY shall have the right to post notices of non-responsibility as provided by Section 8444 of the California Civil Code.

- F. **Ownership of Improvements.** All improvements and facilities, exclusive of trade fixtures, constructed or placed within the Leased Premises by the TENANT must, upon completion, be free and clear of all liens, claims, or liability for labor or material and at the COUNTY's option shall become the property of the COUNTY at the expiration of this LEASE or upon earlier termination hereof. The COUNTY retains the right to require the TENANT, at the TENANT's cost, to remove any or all improvements located within the Leased Premises at the expiration or termination hereof.

AIRLINE CLUB ROOM LEASE**

- A. **Submittal of Plans.** TENANT shall cause to be designed, constructed, and installed within the Leased Premises, at no cost to COUNTY, appropriate improvements to adequately accommodate those services and uses, both required and any other optional services and uses approved pursuant to the section in this Lease entitled, "PERMITTED USE." TENANT must comply with the Tenant Design Guidelines and JWA Construction Standards as may be amended from time to time.

The improvement plans prepared by TENANT and approved by Airport Director prior to the execution of this Lease shall be a plan for development of the Leased Premises or portions thereof, and the working drawings prepared by TENANT and approved by Airport Director during the same period shall be the plan, specifications, and time schedule for TENANT's initial construction on the Leased Premises.

No construction work shall commence until COUNTY has approved the plans and specifications and has issued a Notice to Proceed.

COUNTY will review and respond to submittals of plans and specifications within thirty (30) days or provide notice to TENANT that the review time has been extended. In the event of disapproval by COUNTY of any portion of any submittal of plans and specifications, TENANT shall promptly make modifications and revisions and re-submit for approval by COUNTY.

All design and construction shall conform with the plans approved by COUNTY and with COUNTY construction and architectural standards, as can be amended from time to time.

- B. **Disclaimer of Compliance with Laws or Codes.** The approval by COUNTY of any plans and specifications refers to the conformity of such plans and specifications to COUNTY standards. Approval of any plans and specifications by COUNTY does not constitute its representation or warranty as to their conformity with applicable laws, statutes, codes, or permits, and responsibility, therefore, always remains with TENANT. TENANT has sole responsibility for and will ensure that construction plans and specifications are in full compliance with any and all applicable federal or state laws, statutes, and codes.
- C. **Approvals Extend to Architectural and Aesthetic Matters.** Required approval of COUNTY shall extend to and include architectural and aesthetic matters. COUNTY reserves the right to reject any designs submitted by TENANT and to require TENANT, at

TENANT's expense, to make modifications and revisions and to resubmit designs until designs are deemed acceptable and subsequently approved in writing by COUNTY.

- D. **Design and Permitting.** TENANT shall be responsible, at its sole cost and expense, for the costs of design and permitting of all improvements within the Leased Premises and shall not commence any work with respect to an Approved Project until all governmental permits and approvals with respect to the Approved Project have been obtained. At no cost or liability to COUNTY, COUNTY shall cooperate in all reasonable respects with TENANT's efforts to obtain such permits and approvals, which cooperation shall include, without limitation, the execution of such instruments as may be required by governmental authorities for TENANT to apply for and obtain such permits and approvals.

SECTION 7.06 TENANT REIMBURSEMENT

In the event the COUNTY should require the Leased Premises, or any portion thereof, for any Airport purpose and removes any portion of the TENANT's Leased Premises from this LEASE or terminates the LEASE for convenience pursuant to Section 2.03, the COUNTY shall reimburse the TENANT for improvements completed during the term of this LEASE.

Compensation for improvements located on the Leased Premises shall be calculated by means of the following formula:

$$\text{COMPENSATION} = A \times \frac{B}{C}$$

- A = The TENANT's Certified Capital Investment Costs submitted in accordance with Section 7.10 in this LEASE.
- B = Number of full months remaining in LEASE Term.
- C = Number of full months between the date the TENANT completed construction of leasehold improvements and the date the LEASE would expire by its terms if the COUNTY did not exercise its right to early termination.

The TENANT shall submit to the COUNTY within sixty (60) days of completion of construction of any leasehold improvements, notifications of completion of construction and submit detailed supporting documentation of construction costs together with "As-Built Documents" and "Record Documents" as required by Section 7.10 of this LEASE. The TENANT acknowledges and agrees if the TENANT fails to submit notifications and supporting documentation for any such leasehold improvements in a timely manner, the TENANT waives its right to compensation for such improvements.

JOHN WAYNE AIRPORT
ORANGE COUNTY**JOHN WAYNE AIRPORT
AIRLINE CLUB ROOM LEASE****SECTION 7.07 EXCLUSIVE REMEDY**

The compensation provided pursuant to Section 7.06 in this LEASE shall be the TENANT's sole and exclusive remedy and form of compensation, costs or damages, including but not limited to, the eminent domain law and inverse condemnation (CAL. CODE CIV. PROC. §§1230.010 *et seq.*), and Relocation Assistance benefits (CAL. GOV. CODE §§7260 *et seq.*), due to termination, re-entry or acquisition of the leasehold by the COUNTY.

The TENANT agrees that exercise by the COUNTY of its termination rights hereunder shall not be construed as a taking by the COUNTY of any part of the Leased Premises, nor of the TENANT's rights under this LEASE, nor shall the TENANT, except as provided herein, be entitled to payment for any loss of goodwill, income, moving expenses or other amount because of partial or full termination of this LEASE.

SECTION 7.08 TENANT'S ASSURANCE OF CONSTRUCTION COMPLETION

Prior to commencement of construction of approved facilities the TENANT shall furnish to the COUNTY evidence that assures the COUNTY that sufficient monies will be available to the TENANT and the COUNTY to complete the proposed construction. The amount of money available shall be at least the total estimated construction cost. Such evidence may take one of the following forms:

- A. Completion Bond issued to the COUNTY as obligee.
- B. Irrevocable letter of credit issued to the COUNTY that will remain in effect until the COUNTY acknowledges satisfactory completion of construction.

All bonds and letters of credit must be issued by a surety company, financial institution or advising bank qualified and admitted to conduct business in the State of California and issued in an approved form approved by the COUNTY. All bonds and letters of credit shall ensure faithful and full observance and performance by the TENANT of all terms, conditions, covenants, and agreements relating to the construction of improvements within the Leased Premises.

Prior to commencement of construction, or any phase thereof, within the Leased Premises by TENANT, TENANT shall furnish to COUNTY a performance bond and labor and material bond or performance bond in a principal sum equal to the total estimated construction cost supplied by TENANT's contractor or contractors, provided said bonds are issued jointly to TENANT and COUNTY as obligees.

TENANT shall provide or cause its general contractor (or major subcontractors) to provide payment and/or performance bonds for major subcontracts in connection with said construction and shall name COUNTY as an additional obligee on, with the right to enforce, any such bonds.

JOHN WAYNE AIRPORT AIRLINE CLUB ROOM LEASE

It is not the intent of the contracting parties herein to create a third-party beneficiary, and nothing in this Section shall be construed to do so.

SECTION 7.09 MECHANICS LIENS OR STOP-NOTICES

The TENANT shall at all times indemnify and hold the COUNTY harmless from all Mechanics Liens, Stop-Notices, claims, losses, demands, damages, costs, expenses or liability costs for labor or materials in connection with construction, repair, alteration, or installation of structures, improvements, equipment, or facilities within the Leased Premises undertaken by the TENANT, and from the cost of defending against such claims, including attorney's fees and costs.

In the event a mechanics lien or stop-notice is imposed upon the Leased Premises, the TENANT shall either:

- A. Record a valid Release of Lien; or
- B. Procure and record a bond in accordance with Section 3143 of the California Civil Code, which frees the Leased Premises from the claim of the lien or stop notice and from any action brought to foreclose the lien.

Should the TENANT fail to accomplish either of the two optional actions above within fifteen (15) days after the filing of such a lien or stop notice, the LEASE shall be in default and shall be subject to immediate termination.

SECTION 7.10 RECORD DOCUMENTS, AS-BUILT DOCUMENTS, AND CERTIFIED CAPITAL INVESTMENT COSTS

Within sixty (60) days following completion of any improvement, including the Refurbishment, within the Leased Premises, the TENANT shall furnish the Airport Director a complete package of "As-Built Documents" and "Record Documents," and "Certified Capital Investment Costs" which include but are not limited to construction documents, specifications, cost estimates, engineering studies and calculations. The aforementioned information shall be submitted on two (2) thumb drives containing digital copies of the "As-Built Documents" and "Record Documents", organized in a detailed, logical, and comprehensible folder structure, which is in a form that is usable and accepted by the COUNTY, to the COUNTY's satisfaction, as described below, unless otherwise allowed by the Airport Director.

3. All 2-D and 3-D drawing and/or modeling files created via computer-aided design and drafting (CADD), building information modeling (BIM), and/or GIS for the project shall conform to the John Wayne Airport CADD/BIM/GIS standards and specifications.
4. In addition to the 2-D and 3-D drawing and/or modeling files indicated above, a PDF format (scaled to ARCH E1 format where applicable) of those drawings, exhibits, figures, etc. shall be generated and submitted digitally.

B. Documents and Reports:

- All specifications, reports, and/or studies (e.g., geotechnical report, etc.), calculations, and other project information (e.g., construction submittals, operations, and maintenance (O&M) manuals, warranties, etc.) for the project shall be completed using MS Office suite applications and also generated and submitted digitally in a PDF format.

Note: "Record Documents," e.g., record drawings, specifications, calculations, etc., shall be prepared, stamped, and signed by the Architect and/or Engineer of Record for the project and shall reflect all updates and/or modifications that were approved during design and construction, i.e., separate from the as-built documents, which include contractor redlines, contract changes, etc. Refer to the "John Wayne Airport Construction Standards" for additional information.

In addition, two (2) sets of hard prints of the stamped and signed record drawings for the project, as described above, must be furnished by the TENANT with the thumb drives containing the "As-Built Documents" and "Record Documents." SECTION 7.11 DAMAGE TO OR DESTRUCTION OF IMPROVEMENTS

The TENANT shall be responsible for any damage caused by the TENANT, or the TENANT's aircraft, equipment, employees, agents, visitors, or suppliers, to common use areas of the Terminal or Airport facilities, including but not limited to runways, taxiways, access roads, navigational aids, apron areas and loading bridges. Should such damage require immediate repairs or replacement and the TENANT is unable to respond immediately to complete said repairs or replacement, the Airport Director may cause to be made or make any necessary repairs or replacements, and the cost thereof shall be paid by the TENANT. Said cost shall include all labor, materials, equipment costs, and an administrative fee equal to fifteen percent (15%) of the sum of those items. Said cost shall be paid by the TENANT within fifteen (15) days of receipt of an invoice for costs from the Airport Director.

In the event of damage to or destruction of the TENANT-owned or constructed buildings, facilities or improvements located within the Leased Premises or in the event the TENANT-owned or constructed buildings, facilities, or improvements located within the Leased Premises are declared unsafe or unfit for use or occupancy by the COUNTY or any other public entity with jurisdiction to make and enforce such a declaration, the TENANT shall, within thirty (30) days, commence and diligently pursue completion of the repair, replacement or reconstruction of improvements to the same size and floor area as they existed immediately prior to the event causing the damage or destruction, as necessary to permit full use and occupancy of the Leased Premises for the purposes required by the LEASE.

Repair, replacement or reconstruction or improvements within the Leased Premises shall be accomplished in a manner and according to plans approved by the Airport Director. Except as otherwise provided herein, termination of this LEASE shall not reduce or nullify the TENANT's obligation under this paragraph. With respect to damage or destruction to be repaired by the COUNTY or which the COUNTY elects to repair, the TENANT waives and releases its rights under California Civil Code Sections 1932(2) and 1933(4).

SECTION 7.12 HEALTH AND SAFETY

The TENANT shall comply with all applicable California Occupational Safety & Health Administration (Cal/OSHA) requirements and all federal, state, or local safety orders. The TENANT shall post on the Lease Premises and at all construction sites a copy of "Construction Safety Orders" and "General Industry Safety Orders" issued by the California State Division of Industrial Safety.

The TENANT shall, within thirty (30) days after the execution of this LEASE, submit to the COUNTY a comprehensive Safety Plan outlining the code of safe work practices and

procedures. The plan must include emergency response procedures, notification procedures, and personnel training procedures. The TENANT shall convene safety meetings at regularly scheduled times as described in its Safety Plan and as required by Cal/OSHA. The TENANT and/or TENANT's contractor shall submit, prior to the start of any tenant improvements, the TENANT or TENANT's contractor required Cal/OSHA Safety Plan for approval by the Airport.

The TENANT shall submit to the COUNTY an annual report detailing the status of all permits required and issued to the TENANT by Cal/OSHA or any other federal, state, or local government agency. Said report shall be due on or before January 31 of each calendar year.

ARTICLE VIII - ASSIGNMENT AND SUBLEASE

SECTION 8.01 ASSIGNING, SUBLETTING, AND TRANSFERRING

The provisions of this Section are subject and subordinate to the limitations of Article V of this LEASE.

A. **Transfers.** The TENANT shall not transfer, assign, sublet, or hypothecate (hereinafter referred to as "Transfer") any interest of the TENANT in the Leased Premises without the prior written approval of the COUNTY. The TENANT shall give the COUNTY thirty (30) days' prior written notice of all proposed Transfers. The TENANT shall not make any such Transfers for a period longer than the remaining term of the LEASE.

If the COUNTY approves such Transfers, such approval does not constitute a waiver of any of the terms of the LEASE. All Transfer documents shall be consistent with the terms, covenants, and conditions of the LEASE, and in the event of any inconsistency, the provisions of this LEASE shall govern.

If the TENANT is a corporation, an unincorporated association, or a partnership, Transfers include the acquisition by any person other than the TENANT of any stock or interest in said corporation, unincorporated association, or partnership in the aggregate amount of fifty-one percent (51%) or more.

The failure by the TENANT to obtain the prior written approval by the COUNTY of any Transfer of the LEASE or any interest in the Leased Premises shall constitute a material breach of this LEASE and shall not confer any leasehold rights upon the transferee. Such failure shall be grounds for termination of this LEASE for default pursuant to Section 9.02.

B. **Conditions of the COUNTY Approval.** The COUNTY agrees that it will not arbitrarily withhold consent to any Transfer, but the COUNTY may withhold consent at its sole discretion if any of the following conditions exist:

- (1) The TENANT, its successors, or assigns are in default of any term, covenant, or condition of this LEASE, whether notice of default has or has not been given by

**JOHN WAYNE AIRPORT
AIRLINE CLUB ROOM LEASE**

the COUNTY.

- (2) The prospective subtenant, assignee, or transferee has not agreed in writing to keep, perform, and be bound by all the terms, covenants, and conditions of this LEASE.
- (3) The prospective subtenant, assignee, or transferee is not financially capable or not experienced in performing the LEASE obligations, as determined by the Airport Director.
- (4) Subtenant's use is in conflict with the terms of this LEASE.
- (5) All the terms, covenants, and conditions of Transfer, including the consideration therefore, of any and every kind, have not been revealed in writing to the Airport Director.
- (6) Any construction required of the TENANT as a condition of this LEASE has not been completed to the satisfaction of the COUNTY.
- (7) The TENANT has not provided the Airport Director with a copy of all documents relating to the Transfer, including, but not limited to, appraisals, notes, trust deeds, title reports, escrow instructions, *etc.*
- (8) The TENANT attempts to hypothecate the leasehold for an amount greater than the cost of new improvements to be constructed on the Leased Premises. Hypothecation of the leasehold shall not be permitted for any reason other than to obtain loan proceeds necessary to construct new improvements on the Leased Premises.

C. **Bankruptcy Transaction.** If the TENANT assumes this LEASE or proposes to assign the same pursuant to the provisions of the U.S. BANKRUPTCY CODE, 11 U.S.C. §§101 *et seq.*, then notice of such proposed assignment shall be given to the COUNTY. The following information shall be provided to the COUNTY:

- (1) The name and address of proposed assignee;
- (2) All of the terms and conditions of such offer; and
- (3) Adequate assurance to the COUNTY of the proposed assignee's future performance under the LEASE, including, without limitation, the assurance referred to in the U.S. BANKRUPTCY CODE, 11 U.S.C. §365(b)(3).

Any person or entity to which this LEASE is assigned pursuant to the provisions of the U.S. BANKRUPTCY CODE, 11 U.S.C. §§101 *et seq.*, shall be deemed without further act or deed to have

**JOHN WAYNE AIRPORT

assumed all of the obligations arising under this LEASE on and after the date of such assignment. Any such assignee shall, upon demand, execute and deliver to the COUNTY an instrument confirming such assumption.

SECTION 8.02 SUCCESSORS IN INTEREST

Unless otherwise provided in this LEASE, the terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators, and assigns of all parties hereto, all of whom shall be jointly and severally liable hereunder.

ARTICLE IX - TERMINATION AND DEFAULT

SECTION 9.01 TERMINATION OF PRIOR AGREEMENTS

It is mutually agreed that this LEASE shall terminate and supersede any prior leases or agreements between the parties hereto for the purpose of operating an airline club room and all related activities of the TENANT at the Airport.

SECTION 9.02 TERMINATION FOR DEFAULT

The COUNTY may terminate this LEASE and all of its obligations hereunder with prior written notice to the TENANT and may exercise all rights of entry for default and breach if the TENANT fails to perform any of its obligations under this LEASE, including, but not limited to:

- A. Payment of rent, fees, and charges;
- B. A general assignment for the benefit of creditors and any Transfer without the prior written approval by the COUNTY;
- C. The issuance of any execution or attachment against the TENANT at the Airport that is undischarged within sixty (60) days of levy or seizure or if the Leased Premises are occupied by someone other than the TENANT;
- D. The voluntary vacation or abandonment by the TENANT of the operation of a club room or conduct of air transportation business at the Airport;
- E. The violation by the TENANT of any of the terms of any insurance policy referred to in the LEASE;
- F. If the TENANT is found by the FAA, TSA, other government regulatory or successor agency to have violated specified safety standards in the conduct of the TENANT's business;
- G. The violation of any written directions of the Airport Director;

H. The appointment of a receiver to take possession of all, or substantially all, the assets of the TENANT located at the Leased Premises or of the TENANT's leasehold interest in the Leased Premises.

Where applicable, and unless otherwise stated in this LEASE, or by written notice, the TENANT shall have fifteen (15) calendar days to cure any default prior to termination of this LEASE, or such longer period as may be reasonably necessary to cure such default considering the nature thereof, at the Airport Director's discretion.

SECTION 9.03 CONDITION OF LEASED PREMISES UPON TERMINATION

Except as otherwise agreed to herein, upon termination of this LEASE, the TENANT shall redeliver possession of said Leased Premises to the COUNTY in substantially the same condition that existed immediately prior to the TENANT's entry thereon, reasonable wear and tear, flood, earthquakes, war and any act of war, excepted. TENANT must remove redundant equipment, specialized equipment that is not useful to future tenants, all wiring, data lines, cabling, antenna, and conduit installed by TENANT. References to the termination of the LEASE in this LEASE shall include termination by reason of expiration.

SECTION 9.04 DISPOSITION OF ABANDONED PERSONAL PROPERTY

If the TENANT abandons or quits the Leased Premises or is dispossessed thereof by process of law or otherwise, title to any personal property belonging to the TENANT and left on the Leased Premises fifteen (15) days after such event shall be deemed to have been transferred to the COUNTY. The COUNTY shall have the right to remove and to dispose of such property without liability therefor to the TENANT or to any person claiming under the TENANT and shall have no need to account therefor. Personal property left on the Leased Premises after termination, expiration, or abandonment of the LEASE shall not be construed as giving the TENANT possession of the Leased Premises during the fifteen (15) days after termination, expiration, or abandonment of the LEASE.

SECTION 9.05 THE COUNTY'S RIGHT TO RE-ENTER

The TENANT agrees to yield and peaceably deliver possession of the Leased Premises to the COUNTY at 11:59 p.m. on the date of termination of this LEASE, whatsoever the reason for such termination.

Upon giving written notice of termination to the TENANT, the COUNTY shall have the right to re-enter and take possession of the Leased Premises on the date such termination becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination of the LEASE and re-entry of the Leased Premises by the COUNTY shall in no way

ORANGE COUNTY

alter or diminish any obligation of the TENANT under the LEASE terms and shall not constitute an acceptance or surrender.

The TENANT waives any and all rights of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Leased Premises for any lawful reason or in the event the COUNTY re-enters and takes possession of the Leased Premises in a lawful manner.

ARTICLE X - SECURITY

SECTION 10.01 AIRPORT SECURITY

The TENANT shall comply with all current and applicable Airport, FAA, TSA, CBP, security-related rules, regulations, plans, and procedures. The TENANT is responsible for fines imposed by any regulatory agency as a result of the TENANT's failure to comply with applicable rules, regulations, orders, plans, and procedures regarding airport security.

The TENANT employees, subtenants/contractors shall be required to obtain airport security clearance in order to perform work under this LEASE. The TENANT must maintain a current, updated list of Authorized Signatories responsible for the Airport-Issued Identification Credential ("Airport ID/Security Credential") process, a list of current Airport ID/Security Credentialed TENANT employees and subtenants/contractors, and respond to scheduled and unscheduled audits at the request of the Airport. The TENANT employees and subtenants/contractors applying for an Airport ID/Security Credential must successfully complete a Criminal History Records Check (CHRC) and a Security Threat Assessment (STA) in accordance with current regulations. The TENANT employees and subtenants/contractors must also attend and successfully pass all related Security Identification Display Area (SIDA) classes and tests for access to secure areas and a driver's permit with an appropriate and valid California Driver's License to drive on the airfield. The TENANT must attend all mandatory security-related exercises, and monthly security consortium meetings hosted by the Airport.

- A. **Local Security.** The TENANT shall be responsible for the security of gates or doors that are located on the Leased Premises. Said gates and/or doors on the Leased Premises permitting entry to the restricted areas of the Airport shall be locked when not in use and/or under the TENANT's constant surveillance. The TENANT shall install such security equipment, including, but not limited to, video monitoring equipment, as may be required by the Airport Director to ensure compliance with all regulations of the FAA, TSA, or other governmental agencies having jurisdiction over Airport security. The TENANT shall exercise control over any person or vehicle escorted by the TENANT onto restricted or secure areas of the Airport, or to whom an Airport ID/Security Credential was issued by or at the request of the TENANT, and ensure that such person or vehicle shall comply with all Airport security regulations.

- B. **Federal Security.** As of the date of this LEASE, the TSA provides for all passenger and baggage screening conducted at the Airport. The TENANT may be required to provide assistance to TSA in their efforts to carry out its federal mandates. At some point during the term of this LEASE, the Airport or another entity may be authorized to provide these security services in lieu of the TSA.
- C. **Penalties and Fines.** The TENANT shall promptly pay any penalties for which the TENANT is responsible. These penalties include, but are not limited to, civil penalties or fines assessed against the Airport or the TENANT by the FAA, TSA, or any other governmental agency for the violation of any security-related laws, rules, policies, or regulations at the Airport.
- D. **Airport ID/Security Credential Application and Lifecycle.** Prior to issuance of an Airport ID/Security Credential(s), designated TENANT Authorized Signatories who will be working onsite and engaged in the performance of work under this LEASE, must pass the Airport's background check requirements, which includes an F.B.I. Criminal History Records Check (CHRC) and a TSA Security Threat Assessment (STA), and the TENANT shall pay the applicable fees. Upon successful completion of the background checks, the TENANT's designated personnel will be required to attend a SIDA class and pass a written test. Those personnel who may be permitted by the Airport to drive on the Airport Operations Area (AOA) perimeter road must also complete a Driver's Training class and written test. Airport ID/Security Credentials are not issued until designated TENANT personnel have: 1) completed appropriate application forms and submitted proof of identity and employment eligibility, 2) passed both background checks, 3) completed and passed appropriate training, and 4) paid an Airport ID/Security credential fee for each applicant. The TENANT should anticipate a minimum of fourteen (14) business days to complete the Airport ID/Security Credential process if all requirements listed above are fulfilled by individual Airport ID/Security Credential applicants in a timely manner, but factors outside the Airport's control can contribute to longer durations. If an applicant is applying for a CBP Seal due to their operational need to work international air service operations, this process may take longer. Authorized Signatories must be in constant contact with the Airport's ID/Access Control Office. The TENANT's designated personnel must successfully complete the Airport ID/Security Credential acquisition process, unless other arrangements have been approved by the Airport. The TENANT shall be responsible for all applicable fees and costs associated with the background checks and badging process. The amount of such fees is subject to change without notice.
- E. **Airport ID/Security Credential Applicant Requirements and Responsibilities.** The Airport Security Plan (ASP) requires that each person issued an Airport ID/Security Credential be made aware of his/her responsibilities regarding the privilege of access to restricted areas of the Airport.

JOHN WAYNE AIRPORT
ORANGE COUNTY**JOHN WAYNE AIRPORT
AIRLINE CLUB ROOM LEASE**

The TENANT and all TENANT personnel within an access controlled area (AOA, SIDA, secured area or sterile area) are required to display on their person an Airport ID/Security Credential unless they are escorted by a properly Airport credentialed individual with escort privileges. When working in a secure area, each Airport-credentialed person is responsible for challenging any individual who is not properly displaying an Airport-issued or approved and valid Airport ID/Security Credential. TENANT personnel and their subtenants/contractors must also validate Airport ID/Security Credential employees as described in security training. Any person who is not properly displaying or who cannot produce a valid Airport ID/Security Credential, unless they are being escorted, must immediately be referred to the Sheriff's Department – Airport Police Services Office for proper handling.

The Airport ID/Security Credential is the property of the County of Orange and must be returned upon termination of TENANT personnel employment and/or termination of the LEASE. The loss of an Airport ID/Security Credential shall be reported within twenty-four (24) hours to the Sheriff's Department–Airport Police Services by calling (949) 252-5000. The TENANT or TENANT personnel who lose their Airport ID/Security Credential shall be required to pay a fee before receiving a replacement Airport ID/Security Credential. The charge for lost Airport ID/Security Credential replacement will be posted in the Airport Administration Office and is subject to change without notice. A report shall be made before a replacement Airport ID/Security Credential will be issued.

The Airport ID/Security Credential is nontransferable.

In the event that the TENANT's employee's or contractor's Airport ID/Security Credential is not returned within three (3) business days to the Airport upon: 1) termination of TENANT personnel or contractor, 2) Airport ID badge expiration, or 3) upon termination of the LEASE, the TENANT shall be liable to the County of Orange for a fine in the amount of \$250.00 per unreturned Airport ID/Security Credential. The amount of the fine is subject to change without notice. The TENANT's security deposit may be applied to cover the cost of the fine.

ARTICLE XI - INSURANCE AND INDEMNITY**SECTION 11.01 INSURANCE**

The TENANT agrees to purchase all required insurance at the TENANT's expense and to deposit with the COUNTY certificates of insurance, including all endorsements required herein, necessary to satisfy the COUNTY that the insurance provisions of this LEASE have been complied with and to keep such insurance coverage and the certificates and endorsements therefore on deposit with the COUNTY during the entire term of this LEASE.

JOHN WAYNE AIRPORT
ORANGE COUNTY**JOHN WAYNE AIRPORT
AIRLINE CLUB ROOM LEASE**

The TENANT agrees that the TENANT shall not operate on the Leased Premises at any time the required insurance is not in full force and effect as evidenced by a certificate of insurance and necessary endorsements or, in the interim, an official binder being in the possession of Airport Director. In no cases shall assurances by the TENANT, its employees, agents, including any insurance agent, be construed as adequate evidence of insurance. Airport Director will only accept valid certificates of insurance and endorsements, or in the interim, an insurance binder as adequate evidence of insurance. The TENANT also agrees that upon cancellation, termination, or expiration of the TENANT's insurance, the COUNTY may take whatever steps are necessary to interrupt any operation from or on the Leased Premises until such time as the Airport Director reinstates the LEASE.

If the TENANT fails to provide Airport Director with a valid certificate of insurance and endorsements or binder at any time during the term of the LEASE, the COUNTY and the TENANT agree that this shall constitute a material breach of the LEASE. Whether or not a notice of default has or has not been sent to the TENANT, said material breach shall permit the COUNTY to take whatever steps necessary to interrupt any operation from or on the Leased Premises, and to prevent any persons, including, but not limited to, members of the general public, and the TENANT's employees and agents, from entering the Premises until such time as Airport Director is provided with adequate evidence of insurance required herein. The TENANT further agrees to hold the COUNTY harmless for any damages resulting from such interruption of business and possession, including, but not limited to, damages resulting from any loss of income or business resulting from the COUNTY's action.

The TENANT may occupy the Leased Premises only upon providing to COUNTY the required insurance stated herein and carry such insurance for the entire term of this LEASE. COUNTY reserves the right to terminate this LEASE at any time the TENANT's insurance is canceled or terminated and not reinstated within ten (10) days of said cancellation or termination. TENANT shall pay COUNTY a fee of \$300.00 for processing the reinstatement of the LEASE. TENANT shall provide to COUNTY immediate notice of said insurance cancellation or termination.

All contractors performing work on behalf of the TENANT pursuant to this LEASE shall obtain insurance subject to the same terms and conditions as set forth herein for TENANT. TENANT shall not allow contractors or subcontractors to work if contractors have less than the level of coverage required by the COUNTY from the TENANT under this LEASE. It is the obligation of the TENANT to provide written notice of the insurance requirements to every contractor and to receive proof of insurance prior to allowing any contractor to begin work within the Leased Premises. Such proof of insurance must be maintained by the TENANT through the entirety of this LEASE and be available for inspection by a COUNTY representative at any reasonable time.

1) All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager or designee. The COUNTY reserves the right to require current audited financial reports from TENANT. If TENANT is self-insured,

**JOHN WAYNE AIRPORT
AIRLINE CLUB ROOM LEASE**

TENANT will indemnify and defend COUNTY for any and all claims resulting or arising from TENANT's use of the Leased Premises, services, or other performance in accordance with the indemnity provision stated in this Lease.

If TENANT fails to maintain insurance acceptable to COUNTY for the full term of this LEASE, COUNTY may terminate this LEASE.

Qualified Insurer

The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. Best's Rating) and VIII (Financial Size Category as determined by the most current edition of the **Best's Key Rating Guide/Property-Casualty/United States or ambest.com**). If the insurance carrier does not have an A.M. Best Rating of A-/VIII, the CEO/Office of Risk Management retains the right to approve or reject a carrier after a review of the company's performance and financial ratings.

The policy or policies of insurance maintained by TENANT shall provide the minimum limits and coverage as set forth below:
