Prior Board Action: 10/22/2024 #4, 11/8/2004 #1

RECOMMENDED ACTION(S):

1. Approve Final Tract Map 19327 pursuant to Section 66436(a)(3) of the Subdivision Map Act.
2. Approve the Subdivision Improvement Agreement with Lennar Homes of California, LLC and accept bonds guaranteeing construction of improvements.
3. Accept the dedication of easements for public street and public utility purposes on Canyon Crest.
4. Accept the dedication of easements for emergency access, public utility and public service vehicle ingress and egress purposes over lots A through M, inclusive, as shown on Final Tract Map 19327.

SUMMARY:

Approval of Final Tract Map 19327, the Subdivision Improvement Agreement and actions related to the dedication of easements and vehicular access rights will provide for public streets and street lights, public storm drain, private streets, sewer, water, private storm drain and monumentation for Tract 19327 of the Ranch Plan Planned Community.

BACKGROUND INFORMATION:

The area depicted in Final Tract Map (FTM) 19327 is located in the southeastern portion of unincorporated Orange County, west of Legado Road and south of Lamkin Lane, at the southwest corner of the intersection of Lamkin Lane and Legado Road, within the Ranch Plan Planned Community (RPPC). The tract is located within Planning Area 3, Subarea 3.5 of the RPPC. FTM 19327 provides for the development of 82 numbered lots for planned concept single-family detached dwellings, as well as 33 lettered lots for landscape and slope/landscape areas and 13 private motor courts on a 9.855-acre site.

On November 8, 2004, the Board of Supervisors (Board) approved a General Plan Amendment (Resolution No. 04-291); Zone Change (Resolution No. 04-292 and Ordinance No. 04-014); Development Agreement (Resolution No. 04-293 and Ordinance No. 04-015); and adopted Resolution No. 04-290, certifying Final Environmental Impact Report (FEIR) No. 589 as complete, adequate and in full compliance with the requirements of CEQA for the entire 22,815-acre area of the RPPC.

Subsequent settlement agreements regarding regional transportation impacts associated with implementation of the RPPC and the appropriate/desired scope of biological resource protection to be implemented within the boundaries of the RPPC were finalized in August 2005.

The Master Area Plans and Subarea Plans for Planning Areas 3 and 4, including Subarea 3.3, were originally approved on February 25, 2015, by the Planning Commission (PC) (PA140072 - PA140081) and revised administratively on May 22, 2017, (PA150047). On September 11, 2019, the PC approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) that reflect plans to develop Planning Area 3 in smaller phases. Additional administrative revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067). FTM 17934 for Subarea 3.4 was approved by the Board on October 22, 2024. On October 01, 2025, the Orange County Subdivision Committee approved Vesting Tentative Tract Map (VTTM) 19327 for Subarea 3.5. FTM 19327 represents development plans for a portion of Subarea 3.5, as proposed by the owner/subdivider of the project, RMV PA3 Development, LLC. FTM 19327, as attached hereto as Attachment P, is in substantial compliance with the approved VTTM 19327.

The County of Orange (County) Surveyor has reviewed proposed FTM 19327 and has determined that it complies with all conditions of approval and conforms to all applicable codes and regulations.

County acceptance of the dedication of the easements shown on FTM 19327 provides for public street and public utility purposes.

Compliance with CEQA: The project is a necessarily included element of the projects considered in FEIR No. 589 (RPPC General Plan Amendment/Zoning Change/Development Agreement) and FEIR No. 584 (Southern Subregion Natural Community Conservation Plan/Master Streambed Alteration Agreement/Habitat Conservation Plan), which were certified by the Board on November 8, 2004, and October 24, 2006, respectively, together with the following addenda: Addendum 1.0 to FEIR No. 589, approved on July 26, 2006, by the PC (PA06-0023); Addendum 1.1 to FEIR No. 589, approved on February 24, 2011, by the Interim Director of OC Public Works (PA11-0003 through PA110006); Planning Area 2 Addendum to FEIR No. 589, approved on March 27, 2013, by the PC (PA130001 through PA130004 and PA130006); and Addendum 3.1 to FEIR No. 589, approved February 25, 2015, by the PC (PA140072-81). These documents adequately addressed the effects of the proposed project. No substantial changes have been made in the project; no substantial changes have occurred in the circumstances under which the project is being undertaken; and no new information of substantial importance to the project that was not known or

could not have been known when FEIR No. 589, FEIR No. 584, Addendum 1.0, Addendum 1.1, Planning Area 2 Addendum and Addendum 3.1 were certified and approved; therefore, no further environmental review is required.
