Specific emphasis of section (i) of 2 CFR 200.430:
 1. Charges to Federal awards for salaries and wages must be based on records that accurately reflect the work performed. These records must:
 - i. Be supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
 - ii. Be incorporated into the official records of the non-federal entity;
 - iii. Reasonably reflect the total activity for which the employee is compensated by the non-Federal entity, not exceeding 100% of compensated activities;
 - iv. Support the distribution of the employee's salary among specific activities or cost objectives if the employee works on more than one Federal award; a Federal award and a non-Federal award, an indirect cost activity and a direct cost activity; two or more indirect activities which are allocated using different allocation bases; or an unallowable activity and a direct or indirect cost activity.
 - v. Budget estimates (i.e., estimates determined before the services are performed) alone do not qualify as support for changes to Federal awards.
 2. Salaries and wages of employees used in meeting cost sharing or matching requirements on Federal awards must be supported in the same manner as salaries and wages claimed for reimbursement from Federal awards.
 - B. Fringe Benefits – specified for each program.
 - C. Staff Travel (In-State and Out-of-State travel) – mileage reimbursement, lodging, per diem and other travel costs, specified for each program.

IV. **One-Time Only (OTO) Funds**

- A. OTO funds are non-transferable between funding sources. This means that OTO funds can only be used in the program in which they were accrued.
- B. Titles III federal Program OTO funds shall only be used for the following purposes:
 - 1. The purchase of equipment that enhances the delivery of services to the eligible service population.
 - 2. Home and community-based projects that are approved in advance by OoA and CDA and are designed to address the unmet needs of the eligible service population identified in the Area Plan.
 - 3. Innovative pilot projects that are approved in advance by OoA and CDA and are designed for the development or enhancement of a comprehensive and coordinated system of services as defined in 45 CFR 1321.53(a)(b).
 - 4. OTO funds can be used to maintain or increase baseline services. However, Subrecipient shall assure that services funded with OTO funds will not create an expectation of service delivery beyond the current Contract period. Expenditures for baseline services do not require advance OoA and/or CDA approval.
- C. NSIP OTO funds shall only be used to purchase food used in the Elderly Nutrition Program.

V. **Matching Contributions**

“Matching Contributions” means local cash and/or in-kind contributions made by the Subrecipient, subcontractor, or other local resources that qualify as match for the Contract funding.

- G. Matching contributions generated in excess of the minimum required are considered overmatch.

VI. **Indirect Costs**

- A. The maximum reimbursement amount allowable for indirect costs is fifteen percent (15%) of the Subrecipient's Modified Total Direct Costs (MTDC), per funding category excluding in-kind contributions and nonexpendable equipment.

Modified Total Direct Cost (MTDC) means all direct salaries and wages, applicable fringe benefits, materials and supplies, travel and up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes in-kind contributions, equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$50,000. Other items may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs. [45 CFR 75.2]

- B. Subrecipients requesting reimbursement for indirect costs exceeding the maximum fifteen percent (15%) shall retain on file an approved negotiated indirect cost rate or cost allocation plan.
- C. Indirect costs exceeding the fifteen percent (15%) maximum may be budgeted as in-kind for purposes of meeting matching requirements in Title III and VII programs only. Subrecipients must receive prior approval from federal awarding agency prior to budgeting the excess indirect costs as in-kind.

 3. Royalties received on patents and copyrights from contract-supported activities.
- i. Proceeds from the sale of items fabricated under a contract agreement.
- B. Subrecipient shall provide every participant the opportunity to voluntarily contribute toward the cost of the services provided under this Contract for the applicable programs. Subrecipient shall protect the privacy of each such contributor with respect to his or her contribution and shall not maintain individual records of contributions. No participant shall be denied a service because of unwillingness or inability to contribute towards the cost of said service.
- C. Subrecipient shall keep separate accounts of all contributions for services provided pursuant to this Contract. Subrecipient shall report on such contributions monthly to County in the format required by County.
- D. Contributions for services provided pursuant to this Contract shall be added to the funds provided to Subrecipient by County pursuant to this Contract and shall be used for the purposes and in accordance with the terms of this Contract.
- E. Program Income must be reported and expended under the same terms and conditions as the program funds from which it is generated.

- F. Program Income must be used to pay for current allowable costs of the program in the same fiscal year that the income was earned.
- G. For Title IIIC programs, Program Income must be spent before contract funds and may reduce the total amount of contract funds payable to the Subrecipient.
- H. Program Income may not be used to meet the matching requirements.
- I. Program Income must be used to expand baseline services.
- J. No fees may be charged for services although voluntary contributions may be requested.
