Turbines Inquiry Number LA24-90149_1 Rev: D and Solar Turbines Inquiry Number LA26-17482_1 Rev: B and repair or overhaul not currently provided for in this Contract.

6.2 Upon County request and unless the items are already described and defined as "Conditional Scope" and "Recommended Scope" in Solar Turbines Inquiry Number LA24-90149_1 Rev: D and Solar Turbines Inquiry Number LA26-17482_1 Rev: B, Contractor shall submit proposals and quote for Modernization and Retrofitting Scope. Any items described and defined as "Conditional Scope" and "Recommended Scope" in Solar Turbines Inquiry Number LA24-90149_1 Rev: D and Solar Turbines Inquiry Number LA26-17482_1 Rev: B shall be performed at or below the prices quoted and as described and defined therein, subject to any price escalation provided for in the Contract. Modernization and Retrofitting Scope shall only be performed with the County's written authorization.

6.3 County reserves the right to obtain supplemental proposals for Modernization and Retrofitting Scope from, and use, alternate sources for completion of the additional work.

6.4 If County authorizes Modernization and Retrofitting Scope by an alternate source, Contractor may be relieved of responsibilities pertaining to the Covered Equipment affected by the project while the Modernization and Retrofitting Scope is being performed and during the subsequent Warranty Period.

6.5 Contractor shall continue to provide Services to all areas not affected by such additional work provided by alternate sources.

6.6 Upon completion of any Modernization and Retrofitting Scope, whether by Contractor or an alternative source, County's CUF Plant Manager or designee and Contractor will inspect the finished product at no additional cost to County. Upon mutual acceptance of the additional work, Contractor shall again be responsible for all services originally covered under this Contract.

e. Only the specific scope items stated in this Amendment are added to the Contract. Any other proposal language, including assumptions, exclusions, qualifications, recommendations, schedules, customer responsibilities, disclaimers, or Contractor terms and conditions, are not part of this Contract and do not apply.

2. Attachment B. Payment and Compensation, Paragraph B Fees and Charges, Item b is amended to add the following:

II. Modernization and Retrofitting Scope – Per Attachment A, Section 6.0 "Modernization and Retrofitting Scope", amount shall not exceed **$2,077,000**
