**BACKGROUND INFORMATION:**

The City of Stanton has been contracting with the County of Orange (County) for the Sheriff-Coroner Department (Sheriff) to provide law enforcement services since 1988.

The table below notes when the Board of Supervisors (Board) approved the most recent contracts, amendments and any annual adjustment amount.

<u>Fiscal Year</u>	<u>Amendment Number or Contract</u>	<u>Date Approved By Board or Adjusted</u>	<u>Amount</u>	<u>Comments</u>

The total cost to the City of Stanton for FY 2026-27 is \$16,029,920, which includes regional/shared staff.

Contract costs include salaries, wages, employee benefits, services and supplies, transportation expenses, as well as division, department and County (County-Wide Cost Allocation Plan) overhead. FY 2026-27 cost is -1.16 percent (\$187,688) lower than the current contract of \$16,217,608. The decrease is due primarily to a reduction in retirement rate costs.

Some of the Sheriff's law enforcement contracts historically included a separate Operations Agreement, which contained provisions that were applicable to all of the Sheriff's contract cities, such as response times. In order to standardize the Sheriff's law enforcement contracts, the Operations Agreements were eliminated and those terms were absorbed into Attachments A and B of all of the Sheriff's law enforcement contracts. Any city-specific terms are in Attachment H. The Sheriff also updated the indemnity provision to better align with the County's standard indemnity clause.

This Contract is submitted for approval less than 30 days before its effective date due to an extended negotiation period over the terms and conditions. The Stanton City Council has agendized this Contract for approval at its June 9, 2026, meeting.

**FINANCIAL IMPACT:**

The City of Stanton is responsible for 100 percent of the costs related to this Contract. Appropriations and Revenue for this Contract are included in Budget Control 060, Sheriff-Coroner FY 2026-27 Recommended Budget. Adjustments to reconcile positions and related appropriations and revenue to the adopted FY 2026-27 contract will be requested in the FY 2026-27 Mid-Year Budget Report.
