

# Grants Report

**DRAFT**

County Executive Office/Legislative Affairs

April 28, 2026

Item No: 11

## County of Orange Report on Grant Applications/Awards

*The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.*

On April 28, 2026, the Board of Supervisors will consider the following actions:

On March 8, 2022, the Honorable Board of Supervisors approved HCA Behavioral Health Services (BHS) to receive \$200,000 in noncompetitive planning grant funds through the Behavioral Health Continuum Infrastructure Program (BHCIP) Round 1: Crisis Care Mobile Units (CCMU) with the goal of drafting an action plan with goals, objectives and strategies for building or expanding on the current Mental Health and Recovery Services mobile crisis infrastructure and capacity in OC.

On February 7, 2023, the Board approved HCA BHS to receive additional funding of \$10,000,000 in CCMU funds. This funding has purchased vehicles, upgraded technology and tools for Crisis teams, and ultimately enhanced the BHS Crisis response system.

On February 16, 2024, the Board approved HCA BHS to submit a survey for non-competitive CCMU funds for additional \$750,000. These funds supported the direct cost for staff in the Crisis Assessment Team within BHS as part of the Mobile Crisis Benefit requirement and did not change the terms of the existing CCMU Program Funding Agreement.

On August 26, 2025, the Board approved HCA BHS to receive additional CCMU initiative funding from the California Department of Health Care Services (DHCS) in the amount of \$1,868,399.84 and to extend the DHCS contract from July 1, 2025, through December 31, 2025. These funds were intended to further expand CCMU deliverables, including infrastructure development through equipment, team dispatch, and marketing.

On December 23, 2025, HCA BHS received notification of additional CCMU initiative funding availability from DHCS, with the opportunity to receive up to \$4,837,204.57 and extend the contract through June 30, 2026. The intended use of these funds is to continue expanding CCMU infrastructure deliverables through data collection, equipment, team dispatch, and marketing.

On February 10, 2026, the Board approved HCA BHS to receive additional CCMU funding from DHCS in the amount of \$4,837,204.57 and to extend the DHCS contract through June 30, 2026.

The contract was finalized February 19, 2026, and there is now a need to extend the term to September 30, 2026, to ensure all funds are spent and projects are completed, through agreement modification No. 9. Additionally, DHCS has requested a Zero Dollar Vehicle Use Agreement with HCA to ensure mobile crisis services are being provided to individuals with the vehicles that were purchased with CCMU funds, and requiring data collection on vehicle usage. This agreement is a requirement for all counties with CCMU vehicles.
