

CURRENT AND PROPOSED OUTCOME OBJECTIVES

Cumulative outcomes for California Work Opportunity and Responsibility to Kids (CalWORKs) Home Visiting Program Services (HVP) for Fiscal Year (FY) 2024-25, are as follows:

Outcomes for FY 2024-25	Goal	Status
100% of families enrolled in services will complete a family-centered assessment within 30 calendar days from initial contact and followed by a secondary assessment within three months during each fiscal year of this Contract.	100%	100%
A minimum of 60% of families enrolled in services will increase primary health score and/or developmental screenings during fiscal year 2024-25 of this Contract.	60%	84%
A minimum of 60% of parents enrolled in services will create a safer and higher quality home environment during fiscal year 2024-25 of this Contract.	60%	68%
A minimum of 70% of parents enrolled in services will report increased parent knowledge of age-appropriate child development including language, cognitive, social emotional, and motor domains during each fiscal year of this Contract	70%	97%
A minimum of 70% of parents enrolled in services will display improved parenting capacity, parenting practices, and parent-child relationships during each fiscal year of this Contract.	70%	100%

For FY2024-25, CFCOC has performed in accordance with the contractual requirements. As of June 30, 2025, cumulative outcomes objectives were met.

Cumulative outcomes through December 31, 2025, for California Work Opportunity and Responsibility to Kids (CalWORKs) Home Visiting Program Services (HVP) for FY 2025-26, are as follows:

Outcomes for FY 2025-26	Goal	Status
100% of families enrolled in services will complete a family-centered assessment within 30 calendar days from initial contact and followed by a secondary assessment within three months during each fiscal year of this Contract*	100%	**87%
A minimum of 70% of families enrolled in services will increase primary health score and/or developmental screenings during fiscal year 2025-26 of this Contract. ***	70%	**51%

CURRENT AND PROPOSED OUTCOME OBJECTIVES

A minimum of 70% of parents enrolled in services will create a safer and higher quality home environment during fiscal year 2025-26 of this Contract***	70%	77%
A minimum of 70% of parents enrolled in services will report increased parent knowledge of age-appropriate child development including language, cognitive, social emotional, and motor domains during each fiscal year of this Contract	70%	72%
A minimum of 70% of parents enrolled in services will display improved parenting capacity, parenting practices, and parent-child relationships during each fiscal year of this Contract.	70%	87%

* SSA is proposing to amend the outcome objective for assessments for the period of July 1, 2026, through June 30, 2028, to clarify that this outcome shall apply to new families

** Cumulative outcome objectives are not aligned with quarterly tracking deadlines. As a result, certain outcomes were not achieved. It is expected that all outcomes will be achieved by the end of the fiscal year. To resolve this issue and prevent similar challenges in the future, we are amending the outcome language to ensure expectations are achievable within the program’s operational and reporting timelines

*** Proposed new language for the period of July 1, 2026, through June 30, 2028: A minimum of 70 percent of families enrolled in services will increase primary health score and/or developmental screenings during each fiscal year of this Contract. A minimum of 70 percent of parents enrolled in services will create a safer and higher quality home environment during each fiscal year of this Contract

Proposed Outcome Objectives for FY26-27 & FY27-28

- 100% of new FAMILIES enrolled in services will complete a family-centered assessment within 30 calendar days from initial contact and followed by a secondary assessment within three months.
- A minimum of 70% of FAMILIES enrolled in services will increase primary health score and/or developmental screenings during each fiscal year of this Contract.
- A minimum of 70% of parents enrolled in services will create a safer and higher quality home environment during each fiscal year of this Contract.
- A minimum of 70% of parents enrolled in services will report increased parent knowledge of age-appropriate child development including language, cognitive, social emotional, and motor domains during each fiscal year of this Contract.
- A minimum of 70% of parents enrolled in services will display improved parenting capacity, parenting practices, and parent-child relationships during each fiscal year of this Contract during each fiscal year of this Contract.
