**RECOMMENDED ACTION(S):**

1. Approve Final Tract Map 19325 pursuant to Section 66436(a)(3) of the Subdivision Map Act.
2. Approve the Subdivision Improvement Agreement with Shea Homes Limited Partnership, a California limited partnership, and accept bonds guaranteeing construction of improvements.
3. Accept the dedication easements for public street and public utility purposes on Canyon Crest, Fernleaf Drive, Birchwood Drive and Mapleleaf Court.
4. Accept the dedication of easement for emergency access, public utility, and public service vehicle ingress and egress purposes, as shown on Final Tract Map 19325.

**SUMMARY:**

Approval of Final Tract Map 19325, the Subdivision Improvement Agreement and actions related to dedication of easements and vehicular access rights will provide for public streets and public street lights, public storm drains, sewer, water and monumentation for Tract 19325 of the Ranch Plan Planned Community.

**BACKGROUND INFORMATION:**

The area depicted in Final Tract Map (FTM) 19325 is located in the southeastern portion of unincorporated Orange County, east of Ranch Canyon and north of Cow Camp Road, along the west side of Lamkin Lane, within the Ranch Plan Planned Community (RPPC). The tract is located within Planning Area 3, Subarea 3.5 of the RPPC. FTM 19325 provides for the development of 60 numbered lots for conventional single-family residences and 18 lettered lots for landscaping and private courts.

On November 8, 2004, the Board of Supervisors (Board) approved a General Plan Amendment (Resolution No. 04-291); Zone Change (Resolution No. 04-292 and Ordinance No. 04-014); Development Agreement (Resolution No. 04-293 and Ordinance No. 04-015); and adopted Resolution No. 04-290, certifying Final Environmental Impact Report (FEIR) No. 589 as complete, adequate and in full compliance with the requirements of CEQA for the entire 22,815-acre area of the RPPC.

Subsequent settlement agreements regarding regional transportation impacts associated with implementation of the RPPC and the appropriate/desired scope of biological resource protection to be implemented within the boundaries of the RPPC were finalized in August 2005.

The Master Area Plans and Subarea Plans for Planning Areas 3 and 4, including Subarea 3.3, were originally approved on February 25, 2015, by the Planning Commission (PC) (PA140072 - PA140081) and revised administratively on May 22, 2017, (PA150047). On September 11, 2019, the PC approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) that reflect plans to develop Planning Area 3 in smaller phases. Additional administrative revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067), October 2024 (PA24-0104), and most recently in May 2025 (MB24-0070), to adjust residential dwelling unit counts, non-residential square footage, and the locations of community facilities.

FTM 17935 for Subarea 3.5 was approved by the Board on August 26, 2025. The Vesting Tentative Tract Map 19325 (VTTM) was approved by the Orange County Subdivision Committee on September 17, 2025. FTM 19325 represents development plans for 60 single-family lots as proposed by the owner/subdivider of the project. FTM 19325, as attached hereto as Attachment L, is in substantial compliance with the approved VTTM 19325.

The County of Orange (County) Surveyor has reviewed proposed FTM 19325 and has determined that it complies with all conditions of approval and conforms to all applicable codes and regulations.

County acceptance of the dedication of easements shown on FTM 19325 provides for emergency access, public utility and public service vehicle ingress and egress for purposes of public health, welfare and safety.

**Compliance with CEQA:** The project is a necessarily included element of the projects considered in FEIR No. 589 (RPPC General Plan Amendment/Zoning Change/Development Agreement) and FEIR No. 584 (Southern Subregion Natural Community Conservation Plan/Master Streambed Alteration Agreement/Habitat Conservation Plan), which were certified by the Board on November 8, 2004, and October 24, 2006, respectively, together with the following addenda: Addendum 1.0 to FEIR No. 589, approved on July 26, 2006, by the PC (PA06-0023); Addendum 1.1 to FEIR No. 589, approved on February 24, 2011, by the Interim Director of OC Public Works (PA11-0003 through PA110006); Planning Area 2 Addendum to FEIR No. 589, approved on March 27, 2013, by the PC (PA130001

through PA130004 and PA130006); and Addendum 3.1 to FEIR No. 589, approved February 25, 2015, by the PC (PA140072-81). These documents adequately addressed the effects of the proposed project. No substantial changes have been made in the project; no substantial changes have occurred in the circumstances under which the project is being undertaken; and no new information of substantial importance to the project that was not known or could not have been known when FEIR No. 584, FEIR No. 589, Addendum 1.0, Addendum 1.1, Planning Area 2 Addendum and Addendum 3.1 were certified and approved; therefore, no further environmental review is required.
