**BACKGROUND INFORMATION:**

I would like to allocate \$18,500 from Third District discretionary funds to the Crescent Elementary PTA to support the creation of a Student Wellness Space at Crescent Elementary School in Anaheim Hills.

Crescent Elementary serves approximately 826 students and is one of the highest-enrolled elementary schools within the Orange Unified School District. The proposed Student Wellness Space will provide a dedicated environment where students can develop self-regulation skills, build emotional resilience, engage in restorative activities, and receive support during times of difficulty. The space will be available to students across all grade levels.

This investment will help provide students with the tools and resources needed to navigate challenges, strengthen their emotional health, and support their overall success both inside and outside the classroom.
