BACKGROUND INFORMATION:

I would like to allocate \$30,000 from Third District discretionary funds to the Children's Education Foundation of Orange County for the Gift of History program. For over 15 years, the Gift of History program has been a multi-agency, countywide history program that creates civic pride, builds 21st century skills and promotes community engagement by providing local history books and in-person history events. The County of Orange has been involved for a number of years as well as other agencies including the Orange County Transportation Authority, Orange County Sanitation District, and Orange County Water District.
