SUBCONTRACTORS

This contract, due to the nature of the services, could require the addition of subcontractors. In order to add subcontractor(s) to the contract, the provider/contractor must seek express consent from the department. Should the addition of a subcontractor impact the scope of work and/or contract amount, the department will bring the item back to the Board of Supervisors for approval. In the past (if there is information available), subcontractor(s) have/have not been used for this contract.

Seven of the eleven Respondents have proposed utilizing Subcontractors.
