**BACKGROUND INFORMATION:**

Chairman Doug Chaffee requests approval for the allocation of \$23,350 from Fourth District discretionary funds to support Human Interactive Services of Orange County (HIS-OC). Chairman Doug Chaffee is providing funding support to Human Interactive Services of Orange County (HIS-OC) for a critical roof replacement project at the organization's facility. HIS-OC has served Orange County residents for decades by providing behavioral health, prevention, intervention, and supportive services to individuals and families throughout the community. Due to significant wear and deterioration, the organization's current roof requires replacement to address ongoing leaks and safety concerns that impact daily operations and service delivery. This funding will help ensure that HIS-OC can continue providing a safe, functional, and reliable environment for staff, clients, and community members who depend on the organization's essential programs and services.
