EASEMENT DEED

For valuable consideration, receipt of which is hereby acknowledged,

ORANGE COUNTY FLOOD CONTROL DISTRICT,
a body corporate and politic,
hereinafter referred to as "DISTRICT,"

does hereby grant to

CITY OF ANAHEIM,
a municipal corporation,
hereinafter referred to as "GRANTEE," its, successor and assigns,

a non-exclusive easement for bridge, highway and utility purposes in, on, over, under, upon and across that certain real property in the City of Orange, County of Orange, State of California (hereinafter referred to as "Easement Area") described in "Exhibit A," and illustrated in "Exhibit B," which exhibits are attached hereto and by this reference made a part hereof. DISTRICT and GRANTEE, may sometimes hereinafter be individually referred to as "Party" or jointly as "Parties".

GRANTEE's rights shall include rights to construct, reconstruct, repair, replace, alter, inspect, install, reconfigure, observe, study, remove, operate and maintain a bridge, bridge piers, footings, debris nosing, a roadway, curbs, gutters, sidewalks, and the installation, maintenance and repair of municipal utility facilities related thereto (collectively "GRANTEE's Facilities" or if referencing only the municipal utility facilities "GRANTEE's Utility Facilities"), and shall include reasonable access to the Easement Area for the purpose of exercising the rights herein granted.

It is understood and agreed by the Parties hereto and their successors and assigns that the easement and right of way herein granted in this easement deed ("**Easement Deed**") shall be subject to the following terms, conditions, and reservations:

1. CONSTRUCTION AND MAINTENANCE (PMES2.2S)

GRANTEE shall have all construction, excavation, maintenance and or demolition plans approved in writing by DISTRICT's Director OC Public Works, or designee, (hereinafter referred to as "**Director**"), such approval shall not be unreasonably withheld, through OC Public Works ("**OCPW**") County property encroachment permit process and shall obtain a County property permit (**CPP**) with payment of normal processing fees therefor and shall provide evidence of adequate insurance coverage prior to commencement of any work in, on, over, upon or across the Easement Area; and upon completion of any such work, GRANTEE shall immediately notify Director in writing of such completion. Grantee shall perform all maintenance activities for GRANTEE's Facilities and shall do so at no cost to DISTRICT.

Director's approval of GRANTEE's construction and/or maintenance plans shall not be deemed approval from the standpoint of structural safety, suitability for purpose or conformance with building or other codes or other governmental requirements. DISTRICT is not responsible for permitting of any construction and/or maintenance, design, assumptions or accuracy of GRANTEE's construction and/or maintenance plans. Director will rely on the professional expertise of the Engineer of Record when approving GRANTEE's construction and/or maintenance plans.

GRANTEE hereby acknowledges that the Easement Area lies within a portion of DISTRICT's flood control facility, commonly referred to as the Santa Ana River Channel (hereinafter "**the Channel**").

GRANTEE shall perform all construction and/or maintenance in such a manner that will allow for unobstructed flood control operations and maintenance of the Channel by DISTRICT.

Should it be necessary for GRANTEE to conduct any construction, demolition, inspection, repair, maintenance or other activities that may disturb the surface of the Easement Area or require the use of any specialized vehicles or equipment, including but not limited to haulers or cranes, subsequent to the completion of the initial installation of GRANTEE's Facilities, GRANTEE agrees to notify Director in writing sixty (60) days in advance of such planned activities, obtain the Director's written approval of all plans, and obtain a CPP for any such activities with payment of normal processing fees therefor and shall provide evidence of adequate insurance coverage prior to commencement of any such activities in, on, over, upon or across the Easement Area. The Director's prior approval shall not be necessary, nor shall GRANTEE be required to obtain a CPP prior to conducting any work associated with an emergency situation, however, GRANTEE shall notify the Director within five (5) days following commencement of any such emergency work, and if so, requested by the Director, GRANTEE shall secure a CPP for the purpose of documenting the emergency work.

In addition, GRANTEE shall condition third parties (e.g. permittees and/or franchisees) who seek to perform any construction, demolition, or other activities that may disturb the surface of the Easement Area or require the use of any specialized vehicles or equipment within the Easement Area, to obtain approval from the DISTRICT through the CPP process prior to commencement of performing said activities or placement of any facilities in, on, over, across or under within the Easement Area, which approval shall not be unreasonably withheld. GRANTEE agrees that rights or permits granted to third parties by reason of this clause shall contain provisions that such rights are subject to this Easement Deed, and that any such grants to third parties include a provision that requires the third party to obtain a CPP before performing any construction, demolition, or other activities that may disturb the surface of the Easement Area or require the use of any specialized vehicles or equipment within the Easement Area, with the understanding that such a CPP may contain reasonable conditions designed to ensure that said activities or placement of any facilities within the Easement Area do

Attachment C

not interfere with DISTRICT's use of the Easement Area and that the surface of the Easement Area, if disturbed, shall be restored in kind as nearly as practicable to its original condition upon the completion of said activity.

Except in areas in which such activities require regulatory agency approval, or are otherwise designated as environmentally sensitive, GRANTEE shall have the right to cut such roots as may endanger or interfere with GRANTEE's Facilities provided, however, that any excavation shall be made in such a manner as will cause the least injury to the surface of the ground and any improvements and/or landscaping around such excavation, and that the earth so removed shall be replaced and the surface of the ground and any improvements and/or landscaping around such excavation, damaged shall be promptly restored by GRANTEE at its expense to the same condition as existed prior to excavation, to Director's satisfaction.

GRANTEE shall, at no cost to DISTRICT, maintain Easement Area free of debris, graffiti and litter and shall maintain in good repair and in safe condition, all GRANTEE's Facilities constructed, used or placed upon the Easement Area by or on behalf of GRANTEE pursuant to this Easement Deed and further agrees to require any of its utility franchisees or other permittees to maintain in good repair and in safe condition, all equipment constructed, used or placed upon or within the Easement Area, at no cost to DISTRICT.

GRANTEE hereby acknowledges that the bridge piers, footings and debris noses are an integral part of GRANTEE's bridge structure which will require, among other things, routine and periodic inspection/maintenance. GRANTEE shall assume all maintenance responsibility of the bridge structure including the piers, footings and debris noses, at no cost to DISTRICT.

2. REMOVAL AND/OR ABANDONMENT (PMES3.1S)

GRANTEE agrees that in the event (a) GRANTEE's Facilities are no longer required, or (b) GRANTEE's use of said Facilities ceases for a continuous period of more than one (1) year without written notice from GRANTEE to DISTRICT of the circumstances affecting such suspension and of GRANTEE's intention to resume usage of GRANTEE's Facilities, GRANTEE shall, at Director's request and at no cost to DISTRICT, remove and/or abandon said GRANTEE's Facilities within 180 days of written notice from Director to remove and/or abandon. Following such removal and/or abandonment, GRANTEE shall, at no cost to DISTRICT, restore the Easement Area to the condition that existed prior to the granting of this Easement Deed, to Director's satisfaction. In the event GRANTEE fails to commence and diligently pursue completion of the removal of GRANTEE's Facilities from the Easement Area and the restoration of the Easement Area as provided under this section, in addition to any other rights or remedies available to DISTRICT, the Director, at the Director's option after thirty (30) days' written notice to GRANTEE, may cause the removal of any GRANTEE's Facilities from the Easement Area and the restoration of the Easement Area, and the cost thereof, including but not limited to the cost of labor, materials, and equipment, shall be paid by GRANTEE within fifteen (15) days following a receipt of a statement of said costs from the Director.

GRANTEE shall also execute and deliver to the Director, within 180 days of such removal and/or abandonment, for recordation in the Official Records of Orange County, California, a Quitclaim Deed sufficient to remove the encumbrance of this Easement Deed from title.

3. RELOCATION (PMES4.1S)

In the event GRANTEE's Utility Facilities shall at any time interfere with the operation, maintenance, replacement, enlargement or improvement of DISTRICT's property as determined by the Director, and such interference requires, the removal or relocation of GRANTEE's Utility Facilities, the Director shall provide GRANTEE written notification of such interference and the need for the removal of GRANTEE's Utility Facilities from the Easement Area. In such instance, the Director shall endeavor to, but shall not be obligated to locate an alternate site on DISTRICT-owned property for the relocation of GRANTEE's Utility Facilities. Under no circumstance, shall DISTRICT be obligated to purchase any property, easement rights, or enter into

or pay for any lease or license rights to accommodate the relocation of GRANTEE's Utility Facilities. To the extent an alternative area on DISTRICT property cannot reasonably be made available, DISTRICT may require GRANTEE to remove GRANTEE's Utility Facilities from the Easement Area.

Except in an emergency, the Director shall provide GRANTEE with written notice a minimum of 365 days in advance of the date that GRANTEE's Utility Facilities must be removed from the Easement Area. GRANTEE agrees at its sole cost and expense, to remove GRANTEE's Utility Facilities from the Easement area, restore the Easement Area to the condition that existed prior to the installation of GRANTEE's Facilities, satisfactory to the Director, within such 365-day period, or as such date may be extended by the Director, and if an alternate site on District property has been identified for the relocation of GRANTEE's Utility Facilities, GRANTEE at its sole cost and expense shall relocate GRANTEE's Utility Facilities to such location within said 365-day period, unless such period is extended at the sole discretion of the Director. The removal and/or relocation of GRANTEE's Utility Facilities shall be subject to the provisions of Section 1 (Construction and Maintenance) of this Easement Deed.

In the event GRANTEE fails to perform its obligations to commence and diligently pursue completion of the removal of GRANTEE's Utility Facilities from the Easement Area and restoration of the Easement Area as provided under this section, in addition to any other rights or remedies available to DISTRICT, the Director, at the Director's option after thirty (30) days' written notice to GRANTEE, may cause the removal of any of GRANTEE's Utility Facilities from the Easement Area and the restoration of the Easement Area, and the cost thereof, including but not limited to the cost of labor, materials, and equipment, shall be paid by GRANTEE within fifteen (15) days following a receipt of a statement of said costs from Director. Under no circumstance shall DISTRICT be obligated to relocate GRANTEE's Utility Facilities to any alternate relocation site regardless of whether a relocation site had been designated on District-owned property.

4. REVISION OF LEGAL DESCRIPTION (PMES5.1S)

In the event it becomes necessary to relocate GRANTEE's Utility Facilities as provided in Section 3 (Relocation) of this Easement Deed and the legal description described in attached Exhibit A and illustrated in Exhibit B are subsequently determined to inaccurately describe the location of the Easement Area, the Parties agree that GRANTEE shall cause the legal description and illustration of the Easement Area to be revised, and upon written approval of both Parties of the revised legal description and illustration, this Easement Deed shall be amended so as to replace the original legal description and illustration of the Easement Area with the revised legal description and illustration and such amended Easement Deed shall be recorded by GRANTEE. The Parties agree that the amendment of Exhibit A and Exhibit B and the re-recording of the Easement Deed shall not affect, alter, or change any of the terms, conditions or reservations of this Easement Deed and further agree that the amended and re-recorded Easement Deed shall relate back and be deemed in place as of the initial date of this Easement Deed.

5. COMPLIANCE WITH REGULATORY AUTHORITIES (PMES6.2S)

GRANTEE shall, at its own cost and expense, promptly and at all times observe, comply with and carry out all present and future orders, regulations, directions, rules, laws, ordinances, permits and requirements of all governmental authorities, including but not limited to environmental regulatory authorities, with jurisdiction in, on, over, upon or across the Easement Area, which arise from GRANTEE's use of or performance of any activities permitted to be conducted in, on, over, under or across the Easement Area.

In addition, GRANTEE shall ensure that all construction in the Easement Area is performed in accordance with any NPDES (National Pollutant Discharge Elimination System) permit requirements or other water quality statutes, regulations, ordinances, or permits applicable to the construction, including but not limited to use of appropriate best management practices, so as to ensure that pollutants are not discharged into the Channel nor into DISTRICT's flood control system.

GRANTEE shall not accept any regulatory permit, or consent to any regulatory permit provision which may (i) affect the operation and maintenance of the Channel; (ii) commit DISTRICT to any new maintenance obligation; (iii) require the installation of any water quality feature within the Channel property; (iv) result in increased Channel operation or maintenance expenses; or (v) be inconsistent with DISTRICT's Channel operations and/or facilities standards and criteria, without the Director's prior written approval, which approval shall be at Director's sole discretion and which approval may include, but not be limited to the posting of a bond or the deposit of funds to cover any permit obligations. GRANTEE shall ensure that any such proposed permit provision(s) not approved in writing by the Director is/are stricken or deleted from the final permit prior to its issuance.

No approvals or consents given hereunder by DISTRICT, as a Party to this Easement Deed, shall be deemed approval as to compliance or conformance with applicable governmental codes, laws, rules or regulations.

6. COMPLIANCE WITH THE PROVISIONS OF THIS EASEMENT DEED

GRANTEE agrees that it shall be responsible for ensuring that all work or activities performed within, on, over, under or about the Easement Area by GRANTEE's employees, contractors, subcontractors, agents, representatives, permittees, franchisees or invitees are conducted in accordance with the provisions of this Easement Deed.

7. HOLD HARMLESS (PMES7.2S)

GRANTEE acknowledges the Easement Area is in, on, over, under or about DISTRICT's Channel and may be subject to all hazards associated with flood conditions. GRANTEE agrees to assume all risks, financial or otherwise, associated therewith. For purposes of this Section, GRANTEE acknowledges and agrees that DISTRICT shall not be deemed negligent in the maintenance and/or operation of the Channel if DISTRICT operates and maintains the Channel in substantial conformance with standard DISTRICT practices used for other similar facilities.

GRANTEE hereby releases and waives all claims and recourse against DISTRICT and the County of Orange ("County") including the right of contribution for loss of or damage to property, or injury to or death of any person arising from, growing out of or in any way connected with or related to this Easement Deed, including any damage to or interruption of use of GRANTEE's Facilities caused by erosion, flood, or flood overflow conditions of the Channel, or caused by the operation, maintenance, repair, reconstruction, replacement, enlargement or improvement of the Channel or by DISTRICT's flood control operations, except claims arising from the concurrent active or sole negligence of DISTRICT and/or County, their officers, agents, employees and contractors.

GRANTEE hereby agrees to indemnify, defend (with counsel approved in writing by DISTRICT), and hold harmless, DISTRICT and County, their elected and appointed officials, officers, agents, employees and contractors against any and all claims, losses, demands, damages, cost, expenses or liability for injury to any persons or property, arising out of the maintenance, use of or operations or activities conducted in, on, or over the Easement Area, and/or the exercise of the rights under this Easement Deed by GRANTEE, its agents, officers, employees, invitees or licensees including, but not limited to, use of the Easement Area by members of the general public. GRANTEE's indemnity obligation shall not extend to any liability arising out of the concurrent active or sole negligence of DISTRICT, and/or County, their elected and appointed officials, officers, agents, employees or contractors including the cost of defense of any lawsuit arising therefrom. If DISTRICT and/or County is/are named as co-defendant(s) in a lawsuit, GRANTEE shall notify Director of such fact and shall represent DISTRICT/County in such legal action unless DISTRICT/County undertake(s) to represent itself/themselves as co-defendant(s) in such legal action, in which event, GRANTEE shall pay to DISTRICT/County its/their litigation costs, expenses, and attorney fees. If judgment is entered against DISTRICT/County and GRANTEE by a court of competent jurisdiction because of the concurrent active negligence of DISTRICT/County and GRANTEE, DISTRICT and GRANTEE agree that liability will be

apportioned as determined by the court.

8. GRANTEE'S LIABILITY FOR HAZARDOUS OR TOXIC MATERIALS (PMES8.2S)

GRANTEE shall not cause or permit any "Hazardous Material," as hereinafter defined, to be brought upon, kept, or used in or about the Easement Area. If GRANTEE breaches the obligations stated herein, or if contamination of the Easement Area by Hazardous Material otherwise occurs for which GRANTEE is legally liable to DISTRICT for damage resulting therefrom, then GRANTEE shall indemnify, defend, and hold harmless, DISTRICT and/or County, and their elected or appointed officials, officers, agents, and employees from any and all claims, judgments, damages, penalties, fines, costs, liabilities, or losses (including, without limitation, diminution in value of the Easement Area, sums paid in settlement of claims, attorney fees, consultant fees, and expert witness fees) which arise during or after GRANTEE's use of the Easement Area as a result of such contamination. This indemnification includes, without limitation, costs incurred by DISTRICT in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental entity or agency because of Hazardous Material being present in the soil or ground water under the Easement Area. GRANTEE shall promptly take all action, at its sole cost and expense, as is necessary to clean, remove, and restore the Easement Area to its condition prior to the introduction of such Hazardous Material by GRANTEE, provided GRANTEE shall first have obtained Director's written approval and the approval of any necessary governmental entities or agencies, which approval shall not be unreasonably withheld, for any such remedial action.

As used herein, the term "**Hazardous Material**" means any hazardous or toxic substance, material, or waste which is or shall become regulated by any governmental entity or agency, including, without limitation, the County, the state of California, or the United States government.

9. RESERVATIONS (PMES9.1S)

DISTRICT hereby reserves for itself and its successors and assigns, such surface, subsurface and aerial rights in the Easement Area as will not unreasonably interfere with or prohibit the use by GRANTEE of the rights and easement herein granted and reserves for itself the right to act in accordance with the Orange County Flood Control Act including, but not limited to improving, constructing, reconstructing, rehabilitating, operating and maintaining the Channel facility.

DISTRICT further reserves the right to grant easements, rights of way, and permits in, over, upon, through, across, and along any and all portions of the Easement Area as will not interfere unreasonably with or prohibit the use by GRANTEE of the rights and easement herein granted.

In the event DISTRICT exercises such rights to utilize the Easement Area, which use results in the disturbance of the Easement Area, DISTRICT shall backfill with compacted earth to the grade of the surrounding property following completion of DISTRICT's activity. GRANTEE shall restore GRANTEE's Facilities to the design and grade approved as provided for in Section 1 (Construction and Maintenance) above.

10. CONVEYANCE SUBJECT TO EXISTING INTERESTS (PMES10.1S)

This Easement Deed is subject to existing contracts, leases, licenses, easements, encumbrances, and claims which may affect the Easement Area, and the use of the word "grant" herein shall not be construed as a covenant against the existence of any thereof.

Nothing contained herein, or in any document related hereto, shall be construed to imply the conveyance to GRANTEE of rights in the Easement Area which exceed those owned by DISTRICT, or any representation or warranty, either express or implied, relating to the nature or condition of the Easement Area or DISTRICT's interest therein.

11. TAXES AND ASSESSMENTS (PMES11.1S)

Should this Easement Deed create a possessory interest which is subject to the payment of taxes levied on such interest, it is understood and agreed that all taxes and assessments (including but not limited to said possessory interest tax) which become due and payable upon the Easement Area or upon any GRANTEE's Facilities, fixtures, equipment, or other property installed, constructed or used by GRANTEE thereon in connection with this Easement Deed, shall be the full responsibility of GRANTEE, and GRANTEE shall cause said taxes and assessments to be paid promptly when due.

12. NOTICES (PMES12.1S)

All notices, documents, correspondence and communications concerning this Easement Deed shall be addressed as set forth in this Section, or as the Parties may hereafter designate by written notice, and shall be sent through the United States mail with postage prepaid. Any such mailing shall be deemed served or delivered twenty-four (24) hours after mailing. Each Party may change the address for notices by giving the other Party at least ten (10) calendar days' prior written notice of the new address.

Notwithstanding the above, either Party may also provide notices, documents, correspondence, or such other communications to the other by personal delivery or by Federal Express or similar courier service and so given shall be deemed to have been given upon receipt.

13. VENUE (PMES13.1S)

The Parties hereto agree that this Easement Deed has been negotiated and executed in the state of California and shall be governed by and construed under the laws of California. In the event of any legal action to enforce or interpret this Easement Deed, the sole and exclusive venue shall be a court of competent jurisdiction located in the County of Orange, California, and the Parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the Parties hereto specifically agree to waive any and all rights to request that an action be transferred for trial to another county.

14. WAIVER OF RIGHTS (PMES14.1S)

The failure of DISTRICT to insist upon strict performance of any of the terms, covenants, or conditions of this Easement Deed shall not be deemed a waiver of any right or remedy that DISTRICT may have, and shall not be deemed a waiver of the right to require strict performance of all the terms, covenants, and conditions of the Easement Deed thereafter, nor a waiver of any remedy for the subsequent breach or default of any term, covenant, or condition of the Easement Deed.

15. SEVERABILITY (PMES15.1S)

If any term, covenant, condition, or provision of this Easement Deed is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

16. ATTORNEY FEES (PMES16.1S)

In any action or proceeding brought to enforce or interpret any provision of this Easement Deed, or where any provision hereof is validly asserted as a defense, each Party shall bear its own attorney fees and costs.

17. SUCCESSORS AND ASSIGNS (PMES18.1S)

The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the Parties hereto.

18. AUTHORITY (PMES20.1S)

The Parties to this Easement Deed represent and warrant that this Easement Deed has been duly authorized and executed and constitutes the legally binding obligation of their respective organization or entity, enforceable in accordance with its terms.

19. ASSIGNMENT / TRANSFER OF RIGHTS

Except as provided in section 19, the GRANTEE shall not transfer or assign this Easement Deed or any interest in it, or otherwise make any portion of, or rights in, the Easement Area available to any party, without the prior written consent of DISTRICT's Director. If any assignment is made, the assignee shall be deemed to have assumed all of the obligations of the GRANTEE.

The DISTRICT hereby agrees to permit GRANTEE to assign this Easement Deed to the City of Orange. GRANTEE agrees that prior to any assignment it shall provide the assignee with notice of all easement restrictions. The assignee shall be bound by the same terms and conditions of this Easement Deed. The GRANTEE shall provide written notice to DISTRICT of the transfer of any rights to another party.
