RE: Board Agenda of June 9, 2026, Item #11 - Adoption of FY 2026-27 Recommended Budget

Honorable Board of Supervisors:

This is to voice my support for allocating the \$3.7 million in federal funding to the First Supervisorial District (SD1) residents. Federal funds specially designated should not be re-routed for purposes other than those intended. This funding was initially designated to be utilized for the constituents of SD1 and unfortunately, due to a lack of ethics and conscience, the previous Supervisor, Andrew Do, stole the funding for his own purposes.

Any Supervisor that votes to allocate the funding for their own districts rather than to make whole a district that was left without, is only exacerbating the greedy and malicious acts of Andrew Do. I strongly urge you not to do this and instead do what is right by the SD1 residents. Of which many are elderly and could truly benefit from this funding in the way of resources such as housing, medical care and meals.

Sincerely,

Cintia
SD1 Resident
