Subject: Opposition to Agenda Item 70

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

Hello,

I would like to recommend the BOS continue ITEM 70 on this aggregate contract renewal, until there can be clarification of herbicide use limitations within contracts. Allowing contractors to operate without clear scope of service will only increase public distrust, with a system that has clearly already failed. We recommend more specific contracts, minimizing opportunity for future mismanagement.

Best,
Bethany Nelms
