RECOMMENDED ACTION(S):

Approve the proposed Conflict of Interest Code including Designated Filer Exhibits for Foothill/Eastern Transportation Corridor Agency.

SUMMARY:

Approval of the Foothill/Eastern Transportation Corridor Agency adopted Conflict of Interest Code and Designated Filer Exhibits will ensure County compliance with Fair Political Practices Commission (FPPC) regulations.

BACKGROUND INFORMATION:

Various local government agencies are required to adopt a Conflict of Interest Code (Code) and designate positions and disclosure categories for individuals who make or participate in the making of governmental decisions that may foreseeably have a material effect on any financial interest. The Foothill/Eastern Transportation Corridor Agency took formal action to approve their Code and Designated Filers List and mistakenly filed directly with the FPPC as their code reviewing body; however, upon determination that the Board of Supervisors (Board) is the code reviewing body for Foothill/Eastern Transportation Corridor Agency they are correctively submitting their code and designated filer exhibits to the Board. Pursuant to Government Code Section 87303, the Board must either 1) approve the proposed Code, 2) revise and

approve the revised Code or 3) return the proposed Code for revision and resubmittal within 60 days. It conforms to statutory and regulatory requirements and meets the Board's policy to utilize the state's Model Code. Copies of the proposed Designated Filer Exhibits are attached.
