

Notice of Clarity: The Public Good and Prohibition of Sharia Islamic Law

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

I, Laise Salomon, one of the People, as seen in the 51 Constitutions (Republican in Form), Sui Juris, send this Notice that you and your agents provide immediate due care, by necessity, to those with all political power, the People.

Please Take Notice: A frequent recurrence to the fundamental principles of the constitutions is required to maintain free government. The main object of the government is to protect and preserve the People's Rights and uphold the law of God. The People established the Public Good and original State and United States Constitutions are founded upon Christian Principles, Common Law and Maxims of Law. Where in the Constitutions did the People grant authority for Islam and Sharia Law to conquer our form of government and society? Islam is Sharia Law and repugnant to the founding precepts and principles of American society. (See evidence below)

Article II, Arizona Constitution, Declaration of Rights, Section 1: Fundamental Principles; Recurrence to. A frequent recurrence to fundamental principles is essential to the security of individual rights and the perpetuity of free government.

Maxim of Law: A frequent recurrence to fundamental principles, and a firm adherence to justice, virtue, and original law, are indispensably necessary to preserve the blessings of liberty and good government. *American Maxim.*

Maxim of Law: The main object of government is the protection and preservation of personal rights, private property, and public liberties, and upholding the law of God. *American Maxim.*

State Constitution Preambles and the Declaration of Independence (1776) express gratitude to Almighty God / Author of Existence / Creator / Divine Goodness / Divine Guidance / Divine Providence / God / Great Legislator of the Universe / Sovereign Ruler of the Universe / Supreme Being / Supreme Ruler of the Universe—phrases that echo Genesis 17:1 and Revelation 19:16, according to the Holy Bible King James Version.

Failure to respond means that by tacit acquiescence you agree that all statements in this Notice are truth and fact in the law.
