ORANGE COUNTY, CALIFORNIA

November 17, 2026

WHEREAS, this Board, by Resolutions No. 82-1539 and No. 87-825 has established the John Wayne Airport Revenue Planning Policy (JWA Revenue Policy), which contemplates that fees, rents, and charges relating to John Wayne Airport activities would be established and periodically reviewed and modified, consistent with the requisites of full airport cost recovery, the revenue bond indenture, and funding capital improvement needs; and

WHEREAS, the JWA Revenue Policy and Orange County Codified Ordinance section 2-1-1(a) state that John Wayne Airport shall be operated on an enterprise basis at no cost to taxpayers, through the imposition of fair and reasonable rentals, fees, and charges, and that any rates should be developed on the basis of either market value or cost recovery, whichever is higher; and

WHEREAS, 49 U.S.C. section 47107 requires that the County, as a condition of receiving federal grant funds, maintain a fee and rental structure for use of the facilities and services at John Wayne Airport to ensure continued recovery of JWA's costs, which will make the Airport a self-sustaining entity; and

WHEREAS, 49 U.S.C. section 47133 requires that revenues generated by John Wayne Airport be used solely for the capital or operating costs of the Airport, the local airport system, or other qualifying airport-related facilities; and

NOW, THEREFORE, BE IT RESOLVED and ordered as follows:

1. The County of Orange Board of Supervisors, in accordance with California Public Resources Code section 21080 (b)(8), finds that the new and revised user fees

listed below are for the purpose of meeting operating expenses and are, therefore, exempt from compliance with the California Environmental Quality Act.

2. The County of Orange Board of Supervisors finds that the new and revised user fees meet the requirements set forth in Article XIII C, Section 1, subdivisions (e)(1), (e)(2), (e)(3), and/or (e)(4) of the California Constitution and are therefore exempt from the definition of a tax as used in that section.

3. The County of Orange Board of Supervisors finds that the new and revised user fees are consistent with the criteria established in Board Resolutions No. 82-1539 and No. 87-825 for the Airport Enterprise Fund and are not imposed for taxation and/or County general revenue purposes.

4. The County of Orange Board of Supervisors finds that the new and revised user fees will provide for cost recovery for John Wayne Airport's operations and related Capital Improvement Plan needs, while also upholding safety and security and maintaining high-quality services for its guests.
