Contract Summary Form

OC Expediter Requisition - 1802296

Solar Turbines Incorporated

9280 Sky Park Court

San Diego, CA 92123

SUMMARY OF SIGNIFICANT CHANGES

Contract Scope Amended. Attachment A – Scope of Work is amended to expand the services provided under the Contract. The amended scope incorporates the "Base Scope" identified in Solar Turbines Inquiry Numbers LA24-90149_1 Rev: D and LA26-17482_1 Rev: B and expands the covered equipment and services to include additional repair and overhaul work. The amendment also requires semi-annual and annual inspection reports to identify obsolete parts or systems recommended for replacement.

The Contract is further amended to revise the Modernization and Retrofitting Scope. This scope includes covered equipment that the Contractor determines can no longer be supported due to obsolete parts or components, as well as the Conditional Scope, Recommended Scope, and certain repair or overhaul work identified in the referenced Solar Turbines inquiries. Modernization and Retrofitting work require County authorization and may be performed by the Contractor or, at the County's discretion, an alternate source.

SUBCONTRACTORS

This contract does not include subcontractors or passes through to other providers.

This contract, due to the nature of the services, could require the addition of subcontractors. In order to add subcontractor(s) to the contract, the provider/contractor must seek express consent from the department. Should the addition of a subcontractor impact the scope of work and/or contract amount, the department will bring the item back to the Board of Supervisors for approval.

CONTRACT OPERATING EXPENSES

Amended. Attachment B – Payment and Compensation is amended. The Total Contract Not-to-Exceed Amount has increased to $13,686,375.44.

All other terms and conditions of the Agreement, including prior amendments, remain unchanged and in full force and effect.
