VI.PUBLIC, CEO, ADJOURNMENT & BOARD COMMENTS

PUBLIC COMMENTS:

Name not provided - Oral re: Tens of millions of people had their elections stolen by fraudulent machines; election fraud in Brazil; watched elections on November 6 and people had open bags under their table; no machines, no mail in ballots, election cannot be certified; return to one day in person voting with voter ID

Staci - Oral re: Cannot trust election process, requests same day voting with voter ID, paper ballots and same day election results; Board doesn't want to fix the election process

Jonna - Oral re: 50% of American people do not believe our elections are fair; served as an observer two weeks ago and signature verification was flawed, signatures did not match, or were different name; all came from drop boxes

Stephanie - Oral re: Wants to vote on paper ballots on election day in precincts and receive results on election night; return to a trustworthy system; automated system disenfranchises voters because it removes people from participating in the democratic process

Roseann - Oral re: Chair of the New California State, the 51st state in the making; California is negligent in maintaining a republican government; California legislature has given all power to Governor Newsom; New California State finds California in constitutional default and has created their own restored government of California ; it's not who casts the vote, it is how votes are counted

Mrs. Cameron - Oral re: Poison experimental vaccines and young people experiencing sudden death syndrome; Board appointee James Mai has an active criminal investigation for cyber stalking, doxing and threatening her, engages in gender based violence and his fake charity in under investigation for non-profit fraud

Ms. A - Oral re: Vaccines destroy immune system and sudden death (2,400 deaths each day due to vaccines); three occupations have come forward and state white stretchy clot making it hard to embalm people who have received the vaccine and died; babies dying in the womb and athletes dying due to vaccines; vaccines cause humans to be partially biological and partially AI
